

ACKNOWLEDGMENTS

With a deep sense of gratitude, I express my indebtedness to Prof. A.N. Misra, Professor of Pharmacy, Pharmacy Department, Fac. of Tech. & Engg., M.S. University of Baroda, for his invaluable guidance, timely advice, kind cooperation, constructive criticism and constant inspiration throughout the course of this research work.

My sincere thanks are due to Prof. R.S.R. Murthy, Head, Pharmacy Department, Fac. of Tech. & Engg., M.S. University of Baroda, for providing necessary facilities for my work and for his valuable suggestions during the work.

I thank the University Grants Commission, New Delhi, for providing the scholarship and necessary contingency.

My thanks are due to M/s Sarabhai Chemicals, Baroda, M/s Alembic Chemical Works Co. Ltd., Baroda and M.J. Institute of Research, Baroda, for providing samples of pure drug and formulation ingredients as and when needed. I am thankful to M/s Sun Pharma Advanced Research Centre for helping me with the Differential Thermal Calorimetric analysis of samples.

I am extremely grateful to Mrs. Vandana B. Patel and Mr. Ashwin Rao for their excellent support in proof reading of the manuscript.

I thank all the staff members of the Pharmacy Department, M.S. University of Baroda, for their kind cooperation during my work.

Last but not the least I thank all my co-workers in Pharmacy Department and others everywhere who have helped me in some way or the other in the fulfillment of this research project.
