Dear Madam/Sir,

The Department of Child Development, M.S. University of Baroda, Baroda has undertaken a project on 'Utilization of Welfare Services with Special Reference to Children below the Age of five Years in Panchmahals, Gujarat'. Under this project, we are planning to offer an in-service training programme to health functionaries. To make the programme more effective it will be necessary to explore their knowledge content in the areas of Health, Nutrition and Family Planning.

We need your cooperation as an expert in giving us the correct answers to the questions attached. This will enable us to examine their performance on the same questionnaire. Please cooperate by filling the questionnaire as early as possible. Do give your suggestions in terms of rating the items.

Sincerely,

Parul Dave
Lecturer, Dept. of Child Development.
