ACKNOWLEDGEMENT

The blessings of God Almighty have showered abundantly over me for all my initiatives during the endeavor. The divine grace was always guiding my conscience, showing me the right path and directing me to the right person whenever and wherever needed. It was during this study period I felt the enhancement of spiritual feeling that will remain with me for the rest of life.

A good teacher is not only one who teaches, but also inspires by his abilities. I take this opportunity of expressing my most sincere and warm gratitude to my revered and esteemed teacher, guide and philosopher, Dr. Pradeep Singh Choondawat, Professor & Offg. Head of the Department of Sociology, Faculty of Arts, The M.S. University of Baroda, Vadodara, Gujarat, without whose sagacious guidance, constructive criticism, ceaseless efforts, immense encouragement and valuable suggestions, this study would not have been completed. It's really a proud privilege to work under his patronage and to be his student. I wish to place on record, through this acknowledgement, my deepest sense of indebtedness to him and look forward for his continuous support and encouragement in future.

I express my deep sense of gratitude to my dearest friend cum brother Shri Ranjit Chavan, who stood along with me during all the time of turbulence and roughness in my life, and his wife Mrs. Rutuja, whose suggestions, valuable guidance and support was a source of constant inspiration for successful completion of this study.

I thankfully acknowledge the support and encouragement & valuable suggestions and support provided by the teaching staff members of the Department of Sociology, The M.S.University of Baroda.

I would also like to extend my sincere thanks to the administrative and library staff of the Department of Sociology, The M.S.University of Baroda for their kind cooperation throughout my study.

I am indebted to all the participants of this study for their cooperation and for sparing valuable time amidst their busy schedule and for patiently giving me the relevant and required data for the study.

I would be failing in my duties if I don't mention my gratitude to statistician Mr. Dhananjay Shigotra, and Ms. Jhanvi Thakkar who helped me to do statistical analysis of my study.

Finally I am thankful to all the members of my family- Father, Mother, Sisters- Sujata & Sucheta, my brother-in-law Mr. Anand Sonde, who have always motivated me to pursue research, that has resulted in the completion of the work.
