

LIST OF GRAPHS

Graph 1 Percentage of parasitoids <i>Aenasius bambawalei</i> Hayat affected by presence of ants in mealybug infested field in Vadodara	61
Graph 2 Population of <i>Phenacoccus solenopsis</i> Tinsley affected by presence of ants in Vadodara	61
Graph 3 Population dynamics of mealybug, <i>Phenacoccus solenopsis</i> Tinsley	70
Graph 4 Percentage of <i>Aenasius bambawalei</i> Hayat cocoons per host plant	70
Graph 5 Percentage infestation of different host plants by <i>Phenacoccus solenopsis</i> Tinsley ...	78
Graph 6 Representation of gas chromatography of female sex pheromone isolated from <i>Phenacoccus solenopsis</i> using n-hexane as solvent by using Confinement method	83
Graph 7 Representation of gas chromatography of female sex pheromone isolated from <i>Phenacoccus solenopsis</i> using n-hexane as solvent by using Adsorbent method	84
Graph 8 Impact of Topical application of three agrochemicals at various doses on the mortality of forth larval stage of <i>Scymnobius sordidus</i> Horn.....	89
