Acknowledgement

I place on record my deep sense of gratitude to Dr. S. Mrudula, Assistant Professor, Research Centre in Microbiology, MGR College, Hosur, for suggesting the research topic and for her relentless efforts to guide me throughout the period of my research amidst her many academic activities and commitments.

I am grateful to Dr. Banumathi Thambi Durai, Chair Person, Adhiyamaan Educational and Research Institution and Dr. A. Muthumoni, Principal, MGR College, Hosur for taking me in first as a Lecturer and then as a Ph. D. candidate and permitting me to make use of the research facilities in the college.

I am indebted to Mr. R. Yuvaraj, Head, Research Centre in Microbiology, MGR College, Hosur for providing the necessary facilities in the Department.

I express my sincere gratitude to Mrs. S. Sumathy, Research Centre in Microbiology, MGR College, Hosur for their good will and encouragement.

I am grateful to Dr. B. Chandrasekhar, FRSC, Hyderabad for his critical suggestions and encouragement.

I gratefully acknowledge the support of Mr. A. Arun, Assistant Professor, Department of Energy, Alagappa University, Karaikudi for helping me in my experimental part of research and for his moral support throughout my academic endeavor.

I express my thanks to my brother Dr. A. Ashokkumar, Assistant Professor, Department of Genetic Engineering, Madurai Kamaraj University, Madurai for his help and support.

I thank Dr. S. Sudhagar, Associate Professor, Research Centre in Commerce, MGR College, Hosur for his love and support throughout my research programme.
My sincere thanks also go to my dear friend Dr. P. Balaji, Head, Department Biotechnology, MGR College, Hosur for helping me throughout my research period, preparation of the manuscript and for giving me the support and encouragement.

I am grateful to my Parents, wife, daughter, sister and all my family members whose foresight and values paved the way for a privileged education, for their caring, unstinting support, encouragement and blessings.

My profound gratitude goes to the almighty GOD, who gave me the strength, courage and the energy to carry out this research.
