ACKNOWLEDGEMENT

I am extremely thankful to the research guide Prof. Dr. R. Neelakantan, formerly Assistant Professor, Department of Geology/Professor, Department of Industries and Earth Sciences, Tamil University, Thanjavur for the able guidance rendered during the course of the work. He was instrumental in conceptualising and developing the theme, and his support was available in all stages of the work.

Prof. Dr. S. Anbazhagan, Professor & Head, Department of Geology, Periyar University, Salem has been very helpful in discussing the topic and offered constructive suggestions. Grateful thanks are due to him. I am thankful to faculty members of Geology department, Periyar University for their valuable suggestions. I would like to thank to Dr. Suresh Francis, Scientist, KSREC, Thiruvananthapuram who was the co-guide of this work. His support and encouragement provided during all stages of work is hereby acknowledged.

Grateful thanks are due to Sri. K.V. Mohankumar, I.A.S., Director, Kerala State Remote Sensing & Environment Centre, Thiruvananthapuram for kind permission and continuous encouragement. I am thankful to Dr. Sheeja R.V., Senior Scientific Assistant for the help rendered during the course of study. My colleagues in KSREC were helpful and cooperative during the course of work. Support received from KSREC administration and library is also acknowledged with thanks. I would like to thank to Dr. Bindu G., Ground Water Department, Govt. of Kerala and Dr. Sooraj S., Geologist, Mining & Geology Department, for their technical support.

I am thankful to S. Yuvaraj and Research Scholars of Periyar University for their valuable support. I gratefully acknowledge the services rendered by the project staffs of KSREC, Gopalakrishnan P.P., Manu V., Varun E., Reshma K., Vidya Prasad for their timely help and encouragement throughout the study period.
I express my deep sense of gratitude to my parents and mother-in-law whose blessing have always encouraged me during the course of work.

This work would not have been possible without the affection, encouragement and support from my wife Divya and daughters Souparnika and Suvarna throughout this study.

And above all, I dedicate myself to the Almighty for His divine benevolence and blessings showered on me at all times.

SURAJ R.
