ACKNOWLEDGEMENT

I express my deep, heartfelt gratitude and reverence to my research supervisor and mentor Dr. K. Thangavel, Professor and Head, Department of Computer Science, Periyar University, Salem for his guidance, advice, support and encouragement during this research.

My profound gratitude and thanks to past and present Vice-Chancellors of Periyar University for providing me moral support and encouragement throughout the period of this research.

My sincere thanks to Dr. K. Angamuthu, Registrar, Periyar University, Salem for his invaluable help in administrative matters and support in every aspect of the completion of my research work.

I render my hearty thanks to Dr. C. Chandrasekar, Associate Professor, Department of Computer Science, Periyar University, Salem, India and Dr. R. Umarani, Associate Professor, Department of Computer Science, Sri Saradha College for Women, Salem, India for their constructive comments on this thesis. I am profusely thankful to them for having accepted the membership of the Doctoral Committee in the midst of all their hectic activities.

I offer my sincere thanks to Dr. R. Roselin, Assistant Professor, Department of Computer Science, Sri Saradha College for Women, Salem, India, who has helped me in carrying out this research work.

I gratefully acknowledge Dr. J. Bagyamani, Associate Professor Department of Computer Science, Government College of Arts and Science, Dhamapuri, India and Dr. R. Rathipriya, Assistant Professor, Department
of Computer Science, Periyar University, Salem, India, for their counsel and encouragement to accomplish this research work.

I thank Mr. R. Subash Chandra Boss, Er. D. Arul Pon Daniel, and Mr. E. Elayaraja, full time Research Scholars, Department of Computer Science, Periyar University, Salem for their valuable help during my research work.

I convey special acknowledgment to Mrs. Vennila Thangavel for her motherly support and her daughters Er. K. T. RajaKeerthana and K. T. Mithuna for having sacrificed their childhood joy by allowing my supervisor for research work with keen interest and utmost involvement.

I bestow my special thanks to all my loving family members, especially to my mother Mrs. M. Vijayarani. Her patience and constant encouragement strengthened me through all the years of my research.

I express my sincere thanks for all my friends who extended their kind help and moral support for making this research work complete.

I bow to the ALIGIMITY for blessing me with good health and strength throughout the period of my research work.

M. CHITRALEGHA
