ACKNOWLEDGEMENT

It gives me immense pleasure to acknowledge my sincere gratitude and profound thanks to my supervisor, Dr. P. Prakash, Assistant Professor, Department of Mathematics, Periyar University, Salem, for his continuous help and encouragement throughout the course of this work. His good advice and support have been invaluable on both academic and personal level for which I am extremely grateful.

I record my sincere thanks to Prof. C. Selvaraj, Head of Department of Mathematics, Periyar University, for extending all facilities to carry out my research successfully.

I would like to express special thanks to Prof. A. Muthusamy, Prof. K. Gowri Navada, Dr. V. Muthulakshmi, Assistant Professor, Dr. S. Karthikeyan, Assistant Professor, Dr. S. Padmasekaran, Assistant Professor, Department of Mathematics, Periyar University, Salem for the valuable informations provided by them in their respective fields.

I am very much thankful to the Management, the Principal and the HoD of Mathematics of K.S. Rangasamy College of Technology, Tiruchengode for their support and help given to me. I would like to express my thanks to G.Sudha Priya my research colleague, Non-teaching staff and Research scholars of periyar university for their help.

I would especially like to thank Prof. K. Balachandran and Prof. E. K. Ramasami, Department of Mathematics, Bharathiar University, Coimbatore, Prof. J. J. Nieto, Departamento de Análisis Matemático, University of Santiago de Compostela, Spain, for their valuable comments and advices.

I would like to express my heartfelt thanks to my wife Mrs. R. Radhamani, my son U. Vinay kishore and family members for their encouragement and constant help.

(N. UTHIRASAMY)
