Publications

The following are the research publications resulted from the present thesis work.

- **Raju K. George, Trupti P. Shah** *Accurate Solution Estimate and Asymptotic Behavior of Nonlinear Discrete System*, (to be communicated )

- **Raju K. George, Trupti P. Shah** *Asymptotic Equivalence of Discrete Volterra Systems*, (to be communicated )

- **Trupti P. Shah** *(sp) Matrix - Function issp() which checks whether a given matrix is a (sp) matrix or not*, (communicated to the web cite www.mathworks.com and is available at the following URL).
