ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to Dr. V.N. PATWARDHAN, M.Sc., Ph.D. (London), A.I.I.Sc., Director, Nutrition Research Laboratories, Indian Council of Medical Research, Coonoor, for his guidance and keen interest throughout the work.

I am grateful to Dr. P.G. TULPULE, M.Sc., Ph.D., for his valuable help and suggestions during the course of these investigations.

My sincere thanks are also due to Dr. C. GOPALAN, M.D. (Madras), Ph.D. (London), Deputy-Director, Nutrition Research Laboratories, Coonoor, for the interest he has shown during these investigations and to Dr. A.D. TASKAR, M.Sc., Ph.D., for his expert advice regarding the statistical analysis.

I am indebted to the Parlakimedi Trust Fund for the award of Research Scholarship during the course of this work.
