ACKNOWLEDGEMENTS

With a great honour I take the opportunity to express my sincere gratitude to Prof. Y. K. Agrawal, Head, Pharmacy Department, Faculty of Technology and Engineering, M.S. University of Baroda, for his praiseworthy guidance, continuous advice and encouragement, constructive criticism and discussions throughout the course of this work.

My grateful thanks are due to Prof. R.C. Desai, Dean, Faculty of Technology and Engineering, (Late) Prof. J.M. Lohar, Prof. R.A. Vora, Head, Applied Chemistry Department, Faculty of Technology and Engineering, M.S. University of Baroda, for granting the permission to carry out this research work.

Here are my heart-felt thanks to Dr. (Mrs.) Sobhana Menon, Reader, Pharmacy Department, Faculty of Technology and Engineering, M.S. University of Baroda, for her discussions, help and advice during my research work.

I am grateful to Dr. R.C. Mehta, Director, Food and Drugs Laboratory, Baroda for providing library facilities.

With pleasure I offer my sincere thanks to all my colleagues and friends of Analytical Laboratory and
personnels of Pharmacy Department for their discussions and help during the course of this work.

I thankfully acknowledge Mr. P.S. Bhoite for the neat and efficient typing.

(Nasser Dallali)
