Acknowledgement

Beginning with the name of Allāh, the true Mentor of our lives, all praise and thanks is to Him. With a quote, "they know enough who know how to learn". When years of earnest research finally translates into a neatly written thesis, it is easy to take all the credit and pat oneself on the back for a gigantic task accomplished. The fact remains, however, that no work of such magnitude is possible without a whole network of support systems available to the research scholar. I consider myself both lucky and blessed to have been associated with people who went out of their way to lend me a helping hand even before I asked for it. Though mere words won’t do, but still would like to put on record my sincere gratitude to the people who helped me in accomplishing this task.

First of all my supervisor Dr. Rais Fatima deserves my sincere thanks at the moment of my pleasure. She has been very solicitous all through these years and made herself available whenever approached.

Chairman of the Department of Islamic Studies Prof. Zafarul Islam has asked me several times about the progress of my work and has been a constant help I needed at times from the administration. Former three chairmen whom I know as in my life in the department Prof. M. Yasin Mazhar Siddque and Prof. Abdul Ali and Prof. Sayyid Ahsan, have also been very helpful in their respective tenures. The Aligarh Muslim University is a Place without which I suppose, this acknowledgement is incomplete, it changed my whole life rather has given my life a new lease, I bow my head before Almighty (ST) for its progress leaps and bounds, and its founder be blessed by the reward he deserves.

I wish my humble and sincere thanks to Dr. Obaidullah Fahad, Dr. Abdul Majid Khan, Dr. Sayed Sibtey Hasan, Dr. Mohd. Ismail, Dr. Ehsanul Haq, Dr. Adam Malik, Dr. Bilal Ahmad Kutty, and Dr. Abdul Hamid Fazli, Dr. Imtiazul Huda, Dr. Gaznafar Ali Khan have been a constant force and joy together that led me partially to complete my work. The senior research scholars of the department Mr. Sajid, Mr. Zubair, Dr. Muhammad Shafi.K, Mr. Taufeeque Ahmad Siddiqui Researchers in Department of Commerce are also deserve for special thanks.
The Library staff can never be paid their due, if one tries to pay them for what they do for a researcher. Mr. Kabir Ahmad Khan Sb, have been all the more helpful not only to me but to anyone who ask him, which I suppose is the true justice one, can do to the post he holds, Mr.Khalid sb, and other people in the Seminar library, I thank them all for what I am beholden to them. The managerial staff of the department of Islamic Studies has been a constant help throughout my Ph.D tenure, Mr. Zakir Ali Beg, Mr. zeeshan Sb, Mr. Saleem Ahmad and Mr. Islam Ahmad; they loved me like their own son.

The library’s that I have approached at times to equip myself with all those skills I had to learn for compiling this work, and widened my horizons in this field of study. Like Hiras Center Calicut, Jamia Nadwiya of Edavana, and Islamic Youth Center Calicut.

I concede, whatever is really appreciable in the work is also as a result of my constant interaction with my friends Mr. Shahzada Ashraf, Mr. Izudin, Dr. Abdul Rahman, Dr. Shanir and Mr. Abdullah Abdussalam who lend me their computers for almost two months to complete my work. Mr. Ziaul Hasan Bakhshi, Mr. Suhail Ahmad Chaudhry,

Finally it is I wish to put on record my limitless veneration and the gratitude to all my family, no money in the world can pay the debt I owe them, especially to my parents whom i at times troubled to no extent, may Allah make them self sufficient. I commit that i will be their help, if God forbid they need me anytime in life, i will be alongside them. My Father A Khan Rawther, Mother Mrs. Sulikha, Sisters Mrs.Bahreena Khan and Mrs. Fajrma Khan, Brother in Laws Mr. Mohd. Iqbal and Mr. Mohd. Yusuf.

Though a lot is said there is still that remains because of the debts of this magnitude are impossible to repay. All I can say is that a significant portion of this success belongs also to all those mentioned and those whom I missed to mention in these pages. This achievement finally is theirs as much as it is mine.

Faisal Khan
