ACKNOWLEDGEMENT

I am thankful to my research supervisor Dr. D. Selvaraj, Associate Professor, Department of Zoology, Scott Christian College (Autonomous), Nagercoil for his valuable guidance, support and encouragement throughout the study.

I am grateful to Dr. M. Jezer Jebanesan, Principal of Scott Christian College, Nagercoil for his constant support and encouragement.

My heartfelt gratitude to Dr. S. Sam Manohar Das, Head of the Department of Zoology, Scott Christian College, Nagercoil and Dr. S. Prasanna Kumar, former Head of the Department of Zoology, Scott Christian College, Nagercoil for their encouragements throughout the study.

My sincere thanks are due to Mr. C. Sundararaj, Assistant Professor, Scott Christian College, Nagercoil and Mr. K.S. Lawrence, Engineer for their help in field work and photograph. I extend my thanks to all my colleagues in the Department of Zoology, Scott Christian College.

I also express my sincere gratitude to Dr. P. Edwinsingh Jeyachandra, Formerly Vice Principal & Associate Professor of English, Scott Christian College, Nagercoil for his help during the research.
I thank Director, Zoological Survey of India, Chennai, Tamil Nadu and Dr. K.P. Dinesh Zoological Survey of India, Calicut, Kerala for their help during the literature survey and species identification.

I owe to thank Dr. Karthikeyan Vasudevan, Scientist, Wildlife Institute of India (WII), Dehra Dun, Uttarakhand for his suggestion, motivation and provided literature pertaining to amphibians.

I am indebted to Dr. S. Bhupathy, Principal Scientist, Salim Ali Centre for Ornithology and Natural History (SACON), Anaikatty, Coimbatore, Tamil Nadu for his help during research work.

I thank Madras Crocodile Bank Trust (MCBT) Director, Mammalapuram, Chennai, Tamil Nadu and Library staffs for their help during literature survey.

M.P. JEYASEKHAR
