

ACKNOWLEDGEMENT

This study was made possible by the award of Research Fellowship by the North-Eastern Hill University, Shillong. This dissertation was prepared under the supervision and guidance of Dr. Majid Husain, Reader Department of Geography, North-Eastern Hill University, Shillong(On lien). His valuable comments, advice and suggestions at various stages of the work have improved and enriched this study in the aspects of Agricultural Geography of Lower Brahmaputra Valley. But for his painstaking effort in going through this manuscript several times, this dissertation would not have come into its final shape. The author therefore, expresses his deep sense of gratitude to him.

The author is very much grateful to Dr.R.K.Rai, Reader and Head, Department of Geography, NEHU, Shillong for his constant encouragement and valuable suggestions at various stages of the work.

The author has immensely benefitted from discussions with Dr. P. Deka, Reader, Dr. A.C.Mahapatra, Lecturer, Dr. R. Gopalkrishnan, Lecturer and Mr. Ali Ahmed, Lecturer in the Department of Geography while working on this thesis. The author therefore, remains indebted to them.

The author also expresses his sense of gratitude to Dr. R.C.Sharma, former Dean, School of Environmental Sciences and Head of the Department of Geography for providing encouragement and inspiration in completing this research.

The author is grateful to Dr. N. Malla, Reader, Department of Philosophy for his valuable discussion and constant encouragement.

The co-operation extended by the personnels of the Department of Agriculture, Government of Assam is also thankfully acknowledged. The author is grateful to Mr. R. N. Patra, Geologist, G.S.I., Shillong and to Mr. Pulakesh Dutta, Lecturer, St.Edmunds' College for their co-operation in procuring research materials.

The author expresses his sincere thanks to Mr. B. S. Mipun, Mr. S. Chattaraj, Mr. P. Panda, Mr. S.T.Ahmed, Mr. S.C. Sharma, Mr. S.C. Majumdar, Mr. K. Haloi, Mr. B.C. Chaudhury and Mr. S. Alam, Research Fellows in the Department of Geography and also to Mr. K.P. Mahanta, Mr. B.N. Mishra and Mr. U. Barua, Research Fellows for their help and co-operation.

The author is grateful to Mr. K.D.Singha, Senior Technical Assistant, Department of Geography and Mr. Bijay Das, School of Life Sciences for their co-operation in

preparing maps and photographs.

The author finally expresses his sincere thanks to Mr. P. S. Thomas, Department of Anthropology for typing out this manuscript.

Last but not the least, the author expresses his heartfelt gratitude to his mother, brothers and sister in laws for their moral support and patience through out the duration of the research.
