

ACKNOWLEDGEMENT

At the outset, I express my sincere and profound gratitude to my guide Dr. S. Godwin Wesley, Reader, Department of Zoology, Scott Christian College, Nagercoil, for his advice, strenuous effort and whole-hearted guidance throughout the period of my research.

I am grateful to Dr. James R. Daniel, Principal, Scott Christian College, Nagercoil and Dr. S. Prasanna Kumar, Head, Department of Zoology, Scott Christian College for providing me the required facilities.

Sincere thanks are due to Dr. S.A. Banaimoon, Ex-General Manager, Al Murjan Marine Resources Co. Ltd., Republic of Yemen and Dr. A. Bousair, Dept. of Marine Science, University of Mukalla, Republic of Yemen for their help and motivation.

I wish to express my heartfelt thanks to Dr. Sue D. Utting, Molluscan Div., The Centre for Environment, Fisheries & Aquaculture Science, Conwy, North Wales, UK., for the technical support.

I owe my debt of gratitude to Dr. M. Peter Marian, Professor & Head, Centre for Marine Science and Technology, Rajakkamangalam, T.Nadu, India, for his timely assistance and to Dr. M. R. Kitto, Senior Aquaculturist, Al-Oula Marine Consulting Co., Kuwait, for his words of encouragement. I thank Dr. Shirly Daniel, for going through the manuscript.

I should notably accredit my wife Er. U. Rama Devi, who stood behind me in this mission at every stage. I record my fervent gratitude to my beloved parents and relatives for their constant support.

Above all, I thank the Almighty for his abundant grace.
