ACKNOWLEDGEMENT

The author expresses his gratitude and indebtedness to Dr. N. Arunachalam, Department of Physics, Manonmaniam Sundaranar University, Tirunelveli, 627002, India for his valuable guidance and constant encouragement throughout the period of this work. He has not only taught the author Physics but also life. He has not only taught him life but also confidence and fighting will. He has been a friend, philosopher and guide.

The author wishes to express his thanks to Dr. G. Shanmugam, Professor and Head, Department of Physics, Manonmaniam Sundaranar University, Tirunelveli, for providing facilities to work in the department. His thanks are also due to the other staff members of the department for their encouragement and cooperation in doing this work.

The author thanks Dr. S. Ravidranathan, Professor and Head, Department of English, Manonmaniam Sundaranar University, Tirunelveli, for his timely help in the venture of his Ph.D programme without whom this would not have been possible.

The author is very much thankful to Professor S. Kannappan, Director and the management of National
Engineering College, K.R. Nagar, Tamil nadu for granting permission to do part-time research in the Department of Physics, Manonmaniam Sundaranar University, Tirunelveli and to use the Computer centre for computation work for this research. At this juncture, the author wishes to thank the teaching and non teaching staff especially Mr. K. Kannan of Computer Engineering Department of National Engineering College, K.R.Nagar, Tamil Nadu for their untiring help during the computation work.

The author expresses his heartiest gratitude to his eldest brother Mr. P.K.Dharman, Advocate, Vellore but for whom the author would not have been what he is.

The author recalls the memory of his father-in-law (late) Mr.V.D. Subramanian, Advocate, Polur who has shown extraordinary interest and involvement in the welfare of the author and in his academic achievements.

The author thanks Mr. M. Balasubramaniam, Junior research fellow, Department of Physics, Manonmaniam Sundaranar University, Tirunelveli, in typing the manuscript with an aesthetic sense.
Finally the author extends his sincere appreciation to his wife Mrs. S. Chitra for her constant encouragement during this research work and gratitude to all the members of his family for constant support and encouragement.

Manonmaniam Sundaranar
University, Tirunelveli.
July 1997
