ACKNOWLEDGEMENT

Springs of gratitude do well up from my heart as I cherish with joy all those who have guided me in carrying out my Research work successfully. It is my pleasant duty to acknowledge my indebtedness to each one of them.

My heart adores humbly, silently and gratefully reflecting the Will and Blessings showered by Almighty God who made me turn every challenge into success till this day and in future.

I owe a tremendous debt of gratitude to my supervisor Dr. V.S. Sampath Kumar, Professor and Head of the Department of Statistics, Manonmaniam Sundaranar University, Tirunelveli, India for his inspiring guidance, constant encouragement and deep involvement in every stage of the development of the thesis. The stimulating discussions which I had with him helped me to evolve new and different approaches.

I express my sincere thanks to the Vice-Chancellor of Manonmaniam Sundaranar University, Tirunelveli, India for having given me an opportunity to work as a Faculty Improvement Program scholar in the Department of Statistics and for providing the necessary facilities to carry out my research work successfully.

My heart felt thanks to the faculty members of Department of Statistics, Manonmaniam Sundaranar University, Tirunelveli, India for their encouraging support throughout my studies. I wish the Department every success in the years to come.
I thank our Principal for his advice and constant encouragement. My sincere thanks to each one of the faculty members of Sri S.R.N.M. College, Sattur, India.

To complete my duty joyfully and absolutely, I take this opportunity to express my immense thanks to my family members and all my friends who were the fountain of my inspirations, source of strength and support to me.
