ACKNOWLEDGEMENT

The dissertation entitled "THE HISTORY OF WORKING CLASS MOVEMENT IN HANDLOOM INDUSTRY 1956-2006 WITH SPECIAL REFERENCE TO KANYAKUMARI DISTRICT" is an attempt to bring to light the sufferings of the handloom weavers of Kanyakumari District to get better treatment, enhanced payment of wages and increase of bonus. In this fight because of the political situation and the trade union activities the workers movement lost its genuine ground. This forced the proprietors to close down their industries and at a later time especially after 2006 converted them into Kalyana Mandapams and housing plots. In bringing these facts many came for help and complete the work in record of time.
