Appendix

List of Publications

1. Epoxidation of liquid natural rubber using peracetic formed in situ.
   George V. Thomas and M. R. Gopinathan Nair.

2. Viscosity behaviour of PVC-modified liquid natural rubber blends.
   George V. Thomas and M. R. Gopinathan Nair.

3. Ultrasonic studies of PVC-epoxidised liquid natural rubber blends.
   George V. Thomas and M. R. Gopinathan Nair.

4. Plasticisation of PVC with epoxidised liquid natural rubber
   (Under publication).

5. Tensile impact behaviour of blends of PVC and epoxidised liquid natural rubber
   (Under publication).

6. Thermal behaviour of blends of PVC with epoxidised liquid natural rubber
   (Under publication).

Papers presented at National/International Conferences

1. Compatibility of polyvinyl chloride with epoxidised liquid natural rubber.
   Polymers '94, IPCL, Baroda.
