ACKNOWLEDGEMENTS

It gives me immense pleasure to record my deep sense of gratitude and heartfelt thanks to my Research guide Dr.R.Palaniappan, Professor & Head, P.G.Dept. of Microbiology, Sri Paramakalayani College, Alwarkurichi without whose able guidance, this work would not have been possible. He was always forthcoming with his suggestions and innovative ideas.

I express my sincere thanks to my Co-guide Dr.S.Maruthamuthu, Scientist, Electrochemical Protection & Biofouling group, Corrosion Division, CECRI, Karaikudi. He has always been a pillar of strength at various stages. His innovative ideas and day today guidance have played a major role in this present investigation.

I am extremely thankful to Dr.N.Palaniswamy, Head, Electrochemical Protection & Biofouling group, Corrosion Division, CECRI, Karaikudi for his helpful suggestions and motivations. He has inspired and instilled confidence and provided the impetus to go ahead and accomplish.

My sincere thanks are to Dr.M.Raghavan, Director, CECRI, Karaikudi for his kind permission and encouragement to carry out the work at the Central Electrochemical Research Institute, Karaikudi.
I express my sincere thanks to Dr. N. S. Rengaswamy, CSIR Emeritus scientist, (Former Head, Corrosion Division) CECRI, Karaikudi for his elaborate discussions, which paved the way for giving new dimensions and to mould the thesis in the present shape. His constant encouragement kept me going further and further.

I convey my hearty thanks to Shri R. Meenakshisundaram, Scientist & Head, ICP Section for his excellent help and warm companionship throughout the study period.

It is my pleasure to thank Dr. V. S. Muralidharan, Scientist, CECRI, Karaikudi for his timely help and valuable suggestions.

I would also like to express my sincere thanks to Dr. G. Venkatachari & Dr. S. Muralidharan, Scientists, CECRI, Karaikudi for their help in carrying out electrochemical impedance measurements.

I am very much thankful to Shri S. Ramu, Scientist, Shri V. Raju and Mrs. V. Shiyamaladevi CECRI, Karaikudi who have helped me in carrying out the surface analysis by SEM.

My sincere gratitude is due to Dr. J. Mathiyarasu, Scientist, CECRI, Karaikudi for his kind help to carry out FTIR measurements.
I wish to express my sincere thanks to Shri. J. Kennedy for his kind help in carry out the XRD analysis and to Shri P. Kamaraj for gold sputtering and to Shri A. Murugesan for AAS measurements.

I am thankful to Dr. N. Subramanian, Director and K. Palanivel, NFMC, Bharathidhasan University for their help in carrying out GC analysis.

I express my thanks to Dr. P. Subramanian, Dr. S. Mohanan, Shri G. Rajagopal, Dr. S. P. Manoharan and Dr. S. Sathiyarayananan, Scientists, Corrosion Division, CECRI for their constructive criticisms and scientific temper.

I extend my sincere thanks to Dr. S. Muthukrishnan, Dr. M. Natesan, Dr. Syed Azim, Dr. C. Marikannu, Shri D. Jeyaperumal, Dr. K. Kumar, Dr. V. Saraswathy, Scientists, Corrosion Division, CECRI for their help and suggestion during the experimental work and thesis writing.

I express my sincere thanks to Dr. M. Jayachandran and Dr. K. R. Murali, Scientists, CECRI for their help extended at various stages.

I also thank my friends Sri R. Baskaran, Dr. C. Jeyaprabha, Dr. S. Selvaraj, Sri K. Arumugaswamy, Sri A. Madhavamayandi,
Sri R. Jeyaram, Mrs. P. Sornam, Shri R. Rajasekar, Shri N. Muthukumar, Shri C. S. Madhavan, Shri L. Chellappan, Shri M. Kasinathan, Sri P. Boomi and Sri S. Rajendran, for their timely help during the experimental work.

I would like to express my sincere thanks to my teachers Dr. S. Ramesh, Dr. M. Amuthan, Dr. R. Gowrishankar, Dr. K. H. Narayanan, Secretary, Dr. G. Devarajan, Principal and The Management of Sri Paramakalayani college, Alwarkurichi for providing necessary facilities.

I wish to express to my sincere thanks to Shri N. Ramakrishnan Senior steno and Mr. K. Venkatesh CECRI for their kind help and cooperation in carrying out the typing and compilation work.

I extend my thanks to the staff of TTBD, PPMG, S&T, ICP, Workshop, Glass blowing, Photography, Library, Security, and all other service sections of CECRI, Karaikudi for their whole hearted cooperation and support in carrying out this study.

I will be failing in my duty if I don’t express my sincere gratitude to CSIR for having offered me the Senior Research Fellowship to carryout this Doctoral Research Programme.
