ACKNOWLEDGEMENT

Dr. V. Vilfred, my supervisor and guide, has been my main source of inspiration throughout my research work. This work would have been near impossible but for his unstinted support. I express my deep sense of gratitude to Dr. Vilfred for his valuable, dynamic and inspiring guidance at every stage of my research work.

I am also deeply indebted to Dr. S. Somasundaram, Department of Mathematics, Manonmaniam Sundaranar University, Tirunelveli, for his exemplary generosity comments and suggestions.

I am deeply indebted to the Managing Board, especially, Rev. Fr. O. Sylvester Morais, Secretary, Rev. Fr. J. G. Jesudas and Rev. Fr. A. Tobias former Secretaries, Rev. Fr. A. Rajendran and Rev. Fr. Xavier Alexander, former Correspondent and to other honorable members of the managing Board and to Rev. Dr. Sebastian Anand, S.J, Principal for the facilities provided.
I wish to place on record my heartfelt thanks to the members of teaching staff, Dr. T. Nicholas, Mr. M. Antony, Mr. J. Mohan Kumar and Mr. Jaya Parthasarathy, Department of Mathematics, St. Jude’s College, Thoothoor for their helpful suggestions and invaluable advice during my research there.

I express my thanks to Mr. G. Herald of WINdia Reprographic Networks, Thuthoor for type setting and Printing the thesis in this nice format. My sincere thanks are also due to Ms. Shyba for carrying out the work flawlessly.

My life partner Mr. P. Nixon Dhas and my children Neil Solaman and Nigal Gilchrist, who have extended wholehearted cooperation in silence throughout the period of work has gone a long way in the successful completion of this humble effort, deserves my special acknowledgement.

NOTATIONS

Notations and terminology used in this thesis are as far as possible as in [20] and Square brackets [ ] are used for alternate reading and for references. Chapters are numbered with Roman numerals and Sections are numbered as 1, 2, 3, etc. Running numbers are given for Theorems, Corollaries, Lemmas, Definitions, etc. Theorems, Definitions, etc., in Section 1 of any Chapter are numbered as 1.1, 1.2, etc., in Section 2 as 2.1, 2.2, etc., and so on. To mark the end of the proof of a result we use the notation '■' which is also used at the end of the statement of a Theorem, Proposition, Lemma, etc., when no proof is supplied.
