Acknowledgements

At the very outset, I express my sincere thanks to all my teachers for their help and encouragement in my research work. I would like to record special gratitude to my supervisor Dr. D.V. Kumar. I extend my heartfelt thanks, respect and honour to him for his invaluable suggestions, encouragement, understanding and intellectual guidance throughout my research work.

I am indebted to the UGC New Delhi for providing me financial assistance through the Rajiv Gandhi National Fellowship. Indeed, without their help this thesis would not have seen the light. I owe a deep gratitude to well-wishers and friends who have encouraged and helped me in various ways to complete my thesis in time. Fellow researcher Scholar Pu KCA, Mapuia, Pu Nunga Hmar (Chief Prefect of the Hostel), Thangboi Zou, Siam Qute etc deserves special mention.

It is my pleasure to acknowledge the love, affection and moral support I received from my mother Mrs. Upanu Vungkhoniang. I would also love to mention my little daughter Nianghoihkim @ Kimkimi aged 2 whose innocent smiles rekindled my dying endeavour many a times.

I find no adequate words to express my obligations to Zou Worship Service (ZWS) Shillong and my family members as they earnestly pray for me to complete this thesis and were also indeed a constant source of energy to me.

I thanks to the Almighty God for blessing me abundantly to complete my thesis.
