2.18	Coastal Districts and Fishing Grounds in Tamil Nadu	100
2.19	Committees Formed to Conserve Fishery Resources during Fishing Season	101
2.20	Fish Landing Centres in Tamil Nadu	102
3.1	Distribution of Respondents by Age	111
3.2	Distribution of Respondents by Educational Status	112
3.3	Distribution of Respondents by Marital Status	113
3.4	Distribution of the Respondents by Size of Family	114
3.5	Occupational Pattern of Respondents	115
3.6	Distribution of Respondents by Level of Experience	116
3.7	Distribution of Respondents by Houses Owned	117
3.8	Distribution of Respondents by Type of Houses Owned	118
3.9	Distribution of Respondent by Nature of Houses Owned	119
3.10	Income-wise Distribution of Respondents	120
3.11	Distribution of Respondents by Expenditure Pattern	121
3.12	Distribution of Respondents by Sources of Borrowings	122

3.13	Distribution of Respondent by Type of Loan Borrowed	123
3.14	Agencies Motivating the Respondents to Save	124
3.15	Knowledge of Membership in FWCSs	125
3.16	Distribution of Respondents by Reasons for Membership	126
3.17	Distribution of Respondents by Tenure of Membership	127
3.18	Distribution of Respondents by Mode of Sale of Fish	128
3.19	Distribution of Respondents by Mode of Transport Used	129
3.20	Distribution of Respondents by Time of Sale of Fish	130
3.21	Distribution of Respondents by Type of Sale	131
3.22	Distribution of Respondents by Place of Business	132
3.23	Distribution of Respondents by Nature of Fish Sold	133
4.1	Change in Average Annual Income from Business	138
4.2	Change in Average Annual Income from Business – Test of Significance	139
4.3	Change in Average Annual Savings	140
4.4	Change in Average Annual Savings - Test of Significance	141
4.5	Change in Average Annual Expenditure on Household Consumption	142
4.6	Change in Average Annual Expenditure on Household Consumption- Test of Significance	143
4.7	Change in Average Annual Expenditure on Education	144
4.8	Change in Average Annual Expenditure on Education- Test of Significance	145
4.9	Change in Average Annual Expenditure on Household Articles	146

4.10	Change in Average Annual Expenditure on Household Articles- Test of Significance	147
4.11	Change in Average Annual Expenditure on Health Care	148
4.12	Change in Average Annual Expenditure on Health Care- Test of Significance	149
4.13	Change in Average Annual Expenditure on Social and Family Functions	150
4.14	Change in Average Annual Expenditure on Social and Family Functions- Test of Significance	151
4.15	Change in Average Annual Borrowings	152
4.16	Change in Average Annual Borrowings - Test of Significance	153
4.17	Change in Average Annual Investments	154
4.18	Change in Average Annual Investments – Test of Significance	155
5.1	Score of Respondents on Awareness	160
5.2	Score of Respondents Relating to Welfare Measures	162
5.3	Score of Respondents Relating to Saving Habits	163
5.4	Score of Respondents Relating to Financial Performance	164
5.5	Score of Respondents Relating to Participation and Involvement	166
5.6	Score of Respondents on Social Performance	167
5.7	Score of Respondents on FWCSs	169
5.8	Score of Respondents on Authorities of FWCSs	170
5.9	Score of Respondents on Income and Expenditure	172
5.10	Score of Respondents on Equality at Household Level	173

5.11	Total Score of Respondents on each Component	174
5.12	Age Groups of the Respondents and their Level of Attitude	176
5.13	Relationship between Age Group and Level of Attitude	177
5.14	Income of the Respondents and their Level of Attitude	178
5.15	Relationship between Income and Level of Attitude	179
5.16	Literacy Level of the Respondents and their Level of Attitude	180
5.17	Relationship between Literacy Level and Level of Attitude	181
5.18	Size of Family and Level of Attitude	182
5.19	Relationship between Size of Family and Level of Attitude	183
5.20	Marital Status and Level of Attitude	184
5.21	Relationship between Marital Status and Level of Attitude	185
5.22	Experience in Marketing and Level of Attitude	186
5.23	Relationship between Marketing Experience and Level of Attitude	187
5.24	Tenure of Membership and Level of Attitude	188
5.25	Relationship between Tenure of Membership and Level of Attitude	189
5.26	Occupation of Respondents and Level of Attitude	190
5.27	Relationship between Occupation and Level of Attitude	191
5.28	Respondents' Opinions on the Statement "FWCSs have emerged as a boon to the suffering fisherfolk" – KS-Test	194
