ACKNOWLEDGEMENT

Acknowledgement is hardly a term that can do justice to the people who have helped this thesis to be completed. The author can only express his sincere thanks for the inspiration and insights provided by various sources. In case the author express his gratitude for all assistance received, even though it must be in the form of collective thanks to many persons and institutions not mentioned by names.

The author's special thanks go first to North-Eastern Hill University, Shillong, which made this thesis possible.

This thesis was prepared under the supervision and guidance of Dr. R. Gopalakrishnan, Reader, Department of Geography, North-Eastern Hill University, Shillong. His valuable comments, advice and suggestions at various stages of the work have improved and enriched this study in the aspects of Nature and Pattern of Insurgency in Nagaland; A Geographical Analysis. His painstaking effort in going through this manuscript several times, made this thesis into its final shape. The author also expresses his sense of gratitude of Prof. Ram Chander Sharma for his valuable
suggestions, encouragement and inspiration in completing this research.

The author is very much grateful to Dr. R.K. Rai, Reader and Head, Department of Geography, North-Eastern Hill University, Shillong for his constant encouragement and valuable suggestions at various stages of the work.

The author has immensely benefitted from discussion with Prof. P. Dayal, Dr. A.C. Mahapatra, Reader and Mr. Ali Ahmed, Lecturer in the Department of Geography, while working on this thesis. The author therefore, remains indebted to them.

The author owes its gratitude to the Librarians of North-Eastern Hill University, National Library of Calcutta, Jawaharlal Nehru University, New Delhi, National Archive of India, New Delhi, State Central Library, Shillong, North-Eastern Council, Shillong, Eastern Air Command, Shillong etc. for extending their help in procuring the necessary materials including press clipping.

The author express sincere thanks to Mr. S. Chattaraj, Miss. Sudeepa Chakravorthy, Miss. Manju Dass, Mr. B.S. Mipun, Mr. S.T. Ahmed and Mr. P. Laskar, Research Fellows in the Department of Geography and also to Mr. M. Manohar, Mr. Arun Sarkar
and Mr. Partap, Research Fellows for their help and co-operation. A number of scholars remained unnamed and author gratefully acknowledges their co-operation.

The co-operation extended and permission granted by the Eastern Air Command authority to the author was immense help in the completion of this research. My special thanks to my officers, ENCO's and my friends are also thankfully acknowledged. The author is grateful to Mr. Hans Raj Sangra and his family (in particularly Mrs. Sangra, Mr. C.P. Sangra and Sulekha Sangra) for their constant encouragement and help in completing this research.

The author is grateful to Mr. Washid, Gestatner Operator in the Department of Geography for his co-operation in Xeroxing maps.

The author finally expresses his sincere thanks to Mr. P. E. Thomas, Stenographer to the Dean, School of Social Sciences, North-Eastern Hill University, Shillong for typing this manuscript.

Last but not the least, the author expresses his heartfelt gratitude to his parents, brothers, sisters and sister-in laws for their moral support and patience throughout the duration of the research.
However, all the facts presented in the thesis is author's own.

Date: 26 Jan., 1984.
