ACKNOWLEDGEMENT

My thanks are due to God Almighty for enabling me to complete this thesis work and to submit the same within the stipulated period.

I would like to thank all prominent persons who have helped me in the preparation of this dissertation:

I am fortunate to have Dr. R. Ruskin, Reader in Commerce (Rtd), Centre for Research in Commerce, Scott Christian College, Nagercoil, as my research guide. I owe him a deep sense of gratitude and my sincere thanks for his valuable suggestions, constructive criticism and untiring supervision, and also the timely help extended for the completion of this work.

I am indebted to the Principal and professors of the Department of Commerce of Scott Christian College, Nagercoil. Special thanks are due to Dr. X. Antony Dhanaraj and Dr. M. Edwin Ganadhass of Scott Christian College Nagercoil, for their valuable help throughout this research work.

The directions given to me for the successful completion of this study by Dr. (Mrs.) Prasanna Kumari, Reader in Economics, Sarah Tucker College, Tirunelveli, can never be forgotten.

I am indebted to Dr. R Ravan, Reader in Statistics, Presidency College, Chennai, Prof. D. Muthu Krishanan, Muslim Arts College, Thiruvithancode and Dr. (Mrs.) Darling Selvi, Department of Commerce, Women’s Christian College, Nagercoil, for her valuable contributions in making my research work a success.
My thanks are due to Dr (Mrs.) Janet Wilson, Reader in English, (Mrs.) Daisy Selwyn David former professor and head of Department of English Lakshmipuram College, and Dr. (Mrs.) Annie swarnathai, Reader in Botany, and my department colleagues for their necessary guidance and encouragement given to me from time to time.

My heartfelt thanks are due to the former principal Dr. (Mrs.) Mercy Henry and the present principal Dr. (Mrs.) Ida P.Joseph for the environment given for perusing this study.

I wish to record my sincere thanks to Mrs. Huygheen Albert M.E (Housing), Assistant Director TRIQCS, PWD, Kerala, and (Mrs.) S. Jeslin Shobha for their contribution in the collection of materials for this study.

I wish to acknowledge the help extended by the Executive Engineer, Assistant Executive Engineers, Assistant Engineers and other officials of TNSCB, Tirunelveli Division who have furnished the necessary data for this study.

I place on record my gratitude to the respondents who spared their time and supplied the necessary primary data.

I offer my sincere thanks to the librarians of Centre for Development of Studies, Thiruvanthapuram, M.K.University, Madurai, Scott Christian College, Nagercoil, University Library Thiruvanthapuram, M.S. University Abishekapatti, Sarah Tucker College, Tirunelveli and Department of Architecture, College of Engineering, Thiruvanthapuram.
I am thankful to my beloved husband Er. S. Edwin Sam B.E, who helped me in the preparation of the dissertation and for his constant help and moral support during the course of my research work.

My heartfelt thanks go to my father late Mr. P. Samuel and my mother late Mrs. G. Flory and my children E. Geoffrey Sundar and E. Frenny Sam for their prayers, patient, tolerance and benevolent support.

Last but not the least my thanks are due to Logos Computer Centre, Nagercoil, for computerizing the thesis perfectly and promptly.

S. MABEL LATHA RANI
