ACKNOWLEDGEMENTS

I take the opportunity to express my deep sense of gratitude and acknowledgement to my Supervisor Dr. B.S. Mipun, Ph.D, Professor, Deptt. of Geography, North Eastern Hill University, Shillong, who induced me to pursue the present research problem. I am thankful for his uninhibited guidance and encouragement and constant monitoring of the progress of my work to give a successful completion of the research and also his untiring help in preparation and completion of this manuscript.

I deem it great privilege to express my deep sense of indebtedness and gratitude to Dr. D.K. Nayak, Ph. D, Head, Deptt. of Geography, NEHU, Shillong for his untiring and keen interest, constructive criticism and genuine concern shown in the progress of my study.

I am also thankful to Dr. P.C. Sarma, Ph.D, of Guwahati, for his keen interest and valuable suggestions during the preparation of the manuscript.

I feel it is my long awaited turn to express my deep sense of gratitude and acknowledgement to Dr. A. K. Mahapatra, Dr. S. Singh and H. J. Syemlieh for their inspiration and spontaneous response at every juncture of my research work.

I also extend my thanks to all the staff members of the Deptt of Geography, NEHU, Shillong, for their co-operation and help rendered during the course of the research.
I extend my thanks to Dr. H.K. Debsarmah, Principal, Morigaon College, Dr. M. Goswami, Sri H. Lahkar, Sri H. K. Nath and Sri K. Medhi of Deptt. of Geography, Morigaon College for their support in pursuing the present research.

Thanks are also due to Sri S. K. Sarma, Sri B. N. Sarma, Sri N. Bora, Sri P. Nath, Sri P. Hazarika, and Sri N. J. Goswami for their support and physical efforts at the time of field work and collection of primary data from different parts of the Morigaon District.

(Pranab Jyoti Sarma)
Deptt. of Geography
North Eastern Hill University, Shillong
