ACKNOWLEDGEMENT

With great indebtedness and gratitude, I record my sincere thanks and appreciation to my teacher and guide Dr. K. Sampath, M.Sc., Ph.D., Reader in Zoology, V.O.Chidambaram College, Thoothukudi for suggesting the problem, valuable continued guidance, encouragement and constant help in the preparation of the thesis.

I am highly grateful to our Honourable Chairman, Dr. B. Sivanthi Adityan who is the source of inspiration to pursue research along with academic work. But for his magnanimity to grant permission to do research, this work could not have been possible.

I express my sincere and special thanks to Mrs. N. Jothikani, M.Sc., M.Phil., Principal, Govindammal Aditanar College, Tiruchendur and Mrs. Mala, M.Sc., M.Phil., Head, Department of Zoology for having offered laboratory facilities for my research work.

Thanks are also due to Prof. K. Suriyanarayanan, M.A., M.Phil., Principal, V.O.Chidambaram College, Thoothukudi for granting permission to register for Ph.D. in this college. I am also thankful to Dr. J. Edwin, Head, Department of Zoology for encouragement and help.

I express my special thanks to my teacher Dr. R. James, M.Sc., M.Phil., Ph.D., Department of Zoology, V.O.Chidambaram College, Thoothukudi for his timely help and constant encouragement throughout my project work.

I would like to thank all my colleagues and friends for their kind co-operation and moral support.

I sincerely thank the Dean and Librarian-in-charge of Fisheries College, Thoothukudi who have allowed me to make use of the library facilities.
I am indebted to Dr. G.M. Natarajan, Department of Zoology, Government Arts College, Coimbatore and Dr. A.G. Ponniah, Director, I.C.A.R. National Bureau of Fish Genetic Resources, Lucknow, U.P., India for their timely help in the collection of literature.

I thank Mr. Ponsamuel, M/s. Sapphire Compu Café, Thoothukudi for his efficient and careful typesetting of the manuscript, for developing the figures and neat execution of this work.

I do not find words fit enough for the love and gratitude of my dear parents, in-laws, husband and all my family members for their moral support, valuable suggestions and prayers. I remember with love my sons, masters K. Sakthi Prasath and K. Mathusudanan for their dedication and patience which enabled me to complete this job with success.

Last but not the least, I dedicate all the outcome of this small effort at the Lotus feet of God, Almighty.
