# TABLE OF CONTENTS

LIST OF TABLES ................................................................. iii

LIST OF ILLUSTRATIONS .................................................. v

Chapter

I  INTRODUCTION ................................................................. 1
   Statement of the problem 18
   Delimitations 18
   Limitations 19
   Hypotheses 20
   Purpose of the study 22
   Definition and Explanation of Terms 23
   Significance of study 28

II  REVIEW OF RELATED LITERATURE ..................................... 31

III  METHODOLOGY ................................................................. 69
   General Procedures 70
      Preliminary Investigations, 70
      The Subject, 71
      Selection of subjects, 72
      Filming Procedures, 72
      Selection of trials, 73
      Selection of frames for analyses 74
   The Linkage System 81
   Selection and Description of Instrumentation 83
      Anthropometric Data Collection 83
      Procedure of Biomechanical Analysis 84
      Videography Techniques 85
   Data Reduction and Analysis 88
      Analytical Software 89
