ACKNOWLEDGMENT

A thesis of this magnitude is not an individual endeavor. The University Of Burdwan registered my name as a Ph.D scholar and offered me the scope for carrying out research on retail marketing. This thesis would not have come to light without the favour, bestowed on me by the University of Burdwan.

I am highly indebted to my revered supervisor, Prof. Dev Malya Dutta, Professor, The Department of Business Administration, University of Burdwan for his continuous inspiration, guidance, cooperation and suggestion throughout my research work. This work would not have been completed without his kind help. I thank him from core of my heart for his relentless advice and encouragement.

I would like to express my deep sense of gratitude and indebtedness to the Department of Business Administration as a whole and especially to Prof. Dilip Roy, Director, C.M.S, University of Burdwan for his helpful guideline, continuous encouragement, valuable suggestions and support throughout my research work.

I am grateful to Prof. Arobindo Bhattacharya, Reader, Department of Business Management, Calcutta University for his valuable suggestion, motivation and cooperation, which helped me in completing my research work.
