List of Tables

Table 2.1: Distribution of rainfall over space in India
Table 2.2: Water Requirement and Availability in Gujarat
Table 2.3: Water Balance in Gujarat in 2010 (as estimated by GWRDC)
Table 2.4: Ground Water Availability in Gujarat
Table 2.5: Estimated Investment Flowing in Water Sector
Table 2.6: Magnitude and Composition of Investment through Plan Periods in irrigation
Table 2.7: Extent of deprivation of tail enders
Table 5.1: Area Irrigated in the different canal commands of Ahmedabad Irrigation Circle
Table 5.2: Details of Recovery of Canal Irrigation Charges
Table 5.3: Recovery and Outstanding Of Irrigation Charges in Fatewadi Canal Command
Table 5.4: Selected Sample Villages
Table 5.5: Sample Villages and Number of Respondents
Table 5.6: Distribution Of Respondent Farmers
Table 5.7: Average size of land (in bighas)
Table 5.8: Number of Farmers Partly Or Wholly Deprived Of Irrigation
Table 5.9: Distribution of Land having Access to Irrigation (in bighas)
Table 5.10: Distribution of farmers according to major Source of irrigation
Table 5.11: Farmers Using Canal as Primary Source of Irrigation
Table 5.12: Canal As primary and Alternative source of irrigation
Table 5.13: Distribution of farmers according to payment behaviour
Table 5.14: Reasons for Not Paying Irrigation Charges for The Previous Year
Table 5.15: Distribution of farmers reported purchase of water
Table 5.16: Farmers responses about the factors responsible for dissatisfaction
Table 5.17: Timely Availability in Head Region as Specific Improvement Issue
Table 5.18: Sufficient Water In Tail End As Specific Improvement Issue
Table 5.19: Calculation of Cost of farm inputs, value of production, and irrigation
Table 5.20: Willingness To Pay Higher Or Lower Irrigation Charge
Table 5.21: Awareness about Volumetric Pricing
Table 5.22: Preference about Volumetric Pricing
