ACKNOWLEDGMENT

First of all I would like to express my deepest gratitude to my very first teacher of psychology at my undergraduate course in Psychology and now guide and supervisor of this research study, Dr. BARVE B. N. currently, Principal, Adarsh College, Hingoli for his guidance and constant support & encouragement from the beginning to the end of the research process and the completion of this thesis.

Next, I would like to thank Dr. NARKE H. J. Professor & Head, Department of Psychology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for his teaching research methodology and statistics at MA psychology course and also guiding me for my M.Phil dissertation. It is he whose teaching created an interest in research endeavors and study of statistics.

Next, I would like to thank my another teacher at BA and currently Associate Professor & Head, Department of Psychology M.S.S. Arts, Commerce & Science College, Jalna Dr. Quadri J.S., for his best wishes and encouragement. I would also like to thank Mrs. Dr. Sujata Deore [Agnihotri] and Dr. S. E. Raipure, Assistant professors of the same department for their support throughout this research project.

Thanks are also due towards all those engineering students of the M.S.S. College of Engineering and Technology, Jalna who gave their time and valuable participation in this research. I would also like to thank the then Principal, respective heads of the departments and staff of the
college. Without their support data collection could not have been possible.

My Special thanks go to the Principal Dr. R. J. Gaikwad and Vice-Principal Mr. D. G. Bharate of M.S.S. A.C.S. College, Jalna and Administrative officer of Matsuodari Shikshan Sanstha Dr. B. R. Gaikwad. Special thanks also go to Mr. M. D. Garad, Librarian of M.S.S. College for providing necessary services regarding books and journal issues. Thanks also go to Dr. Ms. S. Nikalje (Asst. Prof. Dept. of P.A.) for her encouragement and best wishes.

I would specially like to thank Mr. R. M. Lakhe, the Vice-Principal and Mr. Waghmare V. M., Supervisor of the junior college wing of M.S.S. College, Jalna for providing me with the leave I needed for data collection. I thank all my friends and colleagues at M.S.S. A.C.S. Junior College, Jalna.

Family plays an important role in any educational endeavor. So I take this opportunity to thank my mother (Sow. Vijaya) and father (Shree Digambar) for their unconditional love and support. I would like to thank my better half, my wife, Vaishali for her understanding and support and my little daughter Manaswi. I also dedicate this piece of work to them. I thank my extended family and my friends for their understanding and support.
