Acknowledgement

First, it is my great honour and pleasure to express my heartiest gratitude and respect to my Research Guide Prof. Chitrani Medhi for her invaluable guidance, constant support and advice throughout my research period. I am very much grateful to Prof. O. K. Medhi Sir, Department of Chemistry and Vice-Chancellor, Gauhati University for his valuable suggestions and encouragement throughout my research period. I must thankful to the former and present HODs, all the faculty members and non-teaching staffs of Department of Chemistry, Gauhati University for their kind advices, suggestions and various helps in this regard.

I am thankful to the University Grants Commission (UGC), North-Eastern Regional office, Guwahati-16 for approving me a Teacher Fellowship under F. I. P. scheme to carry out my research work.

I must thankful to my lab mates Dhiraj Da, Tapash Da, Bipul, Pankaj, Rinu, jatil and all the former senior lab mates, Pradip Da, Manash da, Rajib Da, Tapan Da, and all my friends who helped me throughout my research work. Special thanks go to Dr. Rituraj Kalita Sir, who had developed important software for our lab through which I could successfully completed my research works.

I am also thankful to the Principal, Dr. Ahijuddin Sheikh, all faculty members and staffs of B. N. College, Dhubri for their constant supports and encouragements in this field. Special thanks go to Motor Rahman Sir and Dr. Dharani Kanta Das Sir, B. N. College for their helping hands.
I am forever grateful to the Head of the Department of Chemistry, B. N. College, Dhubri, Mr. Abdul Aziz Mondal and colleagues Shaidul Sir, Dhurba Sir, Mousumi ba and Susmita ba for their invaluable supports and continuous encouragements in this field.

I am also very much grateful to Prof. A. T. Khan Sir, Department of Chemistry, IITG, for his valuable help, suggestions and homely support during my research period. I am forever grateful to all my teachers for their well wishes at all times in the struggle of my life.

At last, but definitely not the least, I wish to acknowledge my beloved Parents, husband and brother for their steadfast love, patience, support and understanding. Without their love and sacrifices it was impossible for me to make it complete. I am very much thankful to all my family members for their invaluable helps for emotional, intellectual and mental support during my worst days. Dedication of this thesis to them is just a gift of everlasting love and respect from my side.
