Acknowledgements

My most heartfelt thanks are due to my thesis advisor Professor Chandrashekar Adiga for all the help that he has provided me throughout the years that I have worked with him. His understanding, patient and able guidance, and constant encouragement has greatly helped me reach the end of this journey to a Ph.D. degree and I thank him for leading me into the mathematical garden of the greatest Indian mathematician Srinivasa Ramanujan. I have learned much from him, both academically and personally. He has given me a lot of time, patience and excellent guidance. In particular, he has always been meticulous in reading and correcting my work, making it precise and accurate.

I want to express my sincere gratitude to my teachers Prof. H. N. Ramaswamy, Prof. D. D. Somashekara, Prof. Soner Nandappa, Prof. R. Rangarajan, Dr. K. R. Vasuki, Dr. Veena Mathad and Prof. B. S. Kjranagi Department of Studies in Mathematics, University of Mysore, Mysore for their valuable helpful suggestions, encouragement, cooperation, inspiration and support.

I owe great thanks to Dr. Muneer Ahmed Ali Yousef, Department of Studies in English, Art College, Hodeidah University, Yemen, for his valuable help, advices and
encouragement. He provided me most of the references, which I needed, maple, latex 2e and mathematica software.

Special thanks to Dr. Shrikanth A. S., Mr. Ali Sahal, Mr. Ananth Kumar S. R., Mr. Sriraj, Miss. M. S. Surekha, Miss. A. Vanitha, Miss. P. Shashikala, Miss. S. L. Shalini, Dr. P. S. Guruprasad, Dr. G. Sharath, Dr. Veena C. R., Mr. Narasimhamurthy, Mr. Ranjith Kumar and Mr. R. G. Veeresh.

I also want to thank Non-Teaching staff of the Department of Studies in Mathematics, University of Mysore, Manasagangotri, Mysore for their help throughout my tenure.

Last but never least, I would like to thank my family, my wife and daughter, for all their love and encouragement. Lots of thanks to my parents who raised me and supported me in all my pursuits.
