Acknowledgement

There are many personalities to whom this thesis is heavily indebted for its development and completion. Firstly, I wish to acknowledge my deep sense of gratitude to my supervisor Dr. Asoke Kumar Bhunia, Reader, Department of Mathematics, The University of Burdwan for his keen interest, active support, constructive criticism, valuable guidance, tireless help and continuous encouragement throughout the entire period of my research works, even helping me relax and conquer any kind of nervous tension.

I take this opportunity to thank the authorities of The University of Burdwan and Late Prof. Arunadiya Majumdar, Ex-Principal, Prof. Subhra Kumar Mukhopadhyay, Ex-Principal, and Prof. Dipak Ranjan Mondal, Principal, Durgapur Government College, Durgapur for providing me the opportunity to carry on this research works and extending full cooperation and support.

I wish to thank Dr. Montu Saha, Head of the Department of Mathematics, The University of Burdwan and all other faculty members for their cooperation and constructive suggestions during my research works as well as in the pre-submission seminars. In this connection, I would like to express sincere appreciation especially to Prof. Snehangshu Kumar Roy Chowdhury, Dr. Gora Chand Layek and Dr. Absos Ali Shaikh.

I am thankful to all the non-teaching staffs of the Department of Mathematics, The University of Burdwan for their cooperations from time to time.

I like to express my whole hearted thanks to all my colleagues Prof. Raghunath Hazra, Prof. Amitava Samanta and Prof. Mahendra Datta of the Department of
Mathematics, Durgapur Government College, Durgapur for encouragement, support and cooperation.

I wish to express my gratitude to the fellow researchers Shri Ranjan Kumar Gupta, Shri Pintu Pal, Shri Samiran Karmakar, Shri Satyajit Kundu, Shri Sanat Kumar Mahato, Ms. Syeda Darakhshah Jabeen and Shri Laxminarayan Sahoo for their constant support and helpful suggestions.

I am also grateful to Shri Biswajit Ta and Shri Tarun Das for helping me a lot with their typing skills during my research works.

Most thankfully, I acknowledge the help and financial support extended to me by the University Grants Commission, New Delhi through a Minor Research Project. At the same time, I would like to acknowledge the immense help provided by the Central Library of The University of Burdwan, the Digital Library of Jadavpur University and the Library of IIM, Joka, Kolkata.

Finally, I wish to express my deep sense of respect and gratitude to my parents Shri Birendra Majumdar and Smt. Provati Majumdar for their unwavering faith and confidence in my abilities, to my father-in-law Shri Sibdas Banerjee and mother-in-law Smt. Amita Banerjee for extending me their support and cooperation for my family, to my beloved wife Smt. Mithu Majumdar for her unconditional and unlimited assistance and to my brother and sisters for standing by me and extending their ever cooperating hands whenever it was necessary.

However, I am solely responsible for any errors and omissions in this thesis.
