ACKNOWLEDGEMENT

The long cherished dreams come true. I have just moved a step ahead in my life, I derived great pleasure in completing this assigned project and this is to say a sincere thanks to all those who have, in some way or the other helped me to sail through.

I feel great pride and most fortunate in having done my research work under the efficient supervision of my esteemed Guide Dr. G. R. Kulkarni, Principal, Dnyanshree Institute of Engineering and Technology, Pune. I would like to use this opportunity to sincerely thank for his valuable guidance, fruitful suggestion and constant encouragement which has molded and enlightened my tiny work into success that in turn is presented here.

Special thanks must go to Dr. S. C. Dwivedi, Dean, Research, SGVU, Jaipur for providing support and encouragement throughout the work.

It gives me great pleasure to acknowledge my friends Ankur Sir, Ashish Revar, Dharmesh Vasoya, Kunal Vora, Jigna and others for help and suggestion. I would also like to thank Prof. Amit Ganatra (Dean, Charotar Institute of Technology, Changa) for his help.

I am and will always be indebted to my Parents. My father has always shown unshakable faith in my capabilities. Their confidence in me inspired me to work harder and harder. With all love and affection, I express my heartfelt thanks to my lovely wife Daxa, my little angel aarav, brothers, sister, Jijaji, freya, bhabhi and all family members for their encouragement, love and support without which this research work would be incomplete.

Above all I offer flowers of gratitude to almighty God who has been the source of strength throughout my life and always gives constant enlighten to fulfill my duties.
