Dedication
To
My Parents

My foremost gratitude to the Divine, the Almighty, for all His blessings and the strength that He has bestowed me, to perform the best in my life. I shall fruitfully use my study to impart knowledge and render sincere services for the betterment of humanity and mankind.

I sincerely wish to thank my Supervisor, Dr. Shiv Singhji Sarangdevot for his guidance, encouragement. I am grateful to him, for providing motivation and all the support. He has co-operated in providing a platform for publishing the related research papers. He has also been a great role model and I undoubtedly intend to use what I have learned from him. He is someone I definitely hope to live up to someday.

I would like to acknowledge all the Experts, Professionals and members of my dissertation defence committee. The Defence Research Committee has given me constructive criticisms, valuable suggestions and useful comments. The Committee is responsible for focusing on the changes required in shaping the synopsis; thereby leading me towards a right path for the research process. Their invaluable comments and enlightening suggestions have helped improve the quality for this dissertation. I am grateful to them for all their valuable support.

I also wish to acknowledge and thank the Dean Research, Dr. S.C. Dwivedi, for all his kind co-operation, support. He has provided me a comfortable family-like working environment.

I wish to thank Mr. Anand Asopa (Convergys India, Bangalore) and Mr. Deepak Dadhich (Infosys, Bangalore) for sparing their valuable time and also for all their unbound support in collecting the relevant data for this research.

I am also grateful to all the known and unknown persons who have spared time to patiently fill the Questionnaires.

I wish to acknowledge all my family members, relatives and friends who have willingly helped me. I am very much grateful to my mother-in-law, for all her endless support, co-operation; her pride in me and for her unconditioned love. I acknowledge my brothers for their love, encouragement and their concern towards me.

I wish to thank my brother in law Mr. Manoj Bhatt for inculcating in me the spirit of doing research. I am very much grateful to my children, for all their co-operation and the patience they have shown towards me. Finally, with due regard and utmost significance, I sincerely wish to express my unbound gratitude and love towards my husband, Alok Bhatt . He has shown boundless patience while I was so much involved in my study and spend long hours in writing thesis. His endless patience, encouragement and love, has been a great support in completing this work.

I owe all my achievements to my parents. Their ceaseless efforts always remain as an inspiration within me.
