ACKNOWLEDGEMENTS

I am extremely grateful to my research supervisor, Dr. T. Sreenivasulu Reddy, M.Sc., Ph.D., Reader in Chemistry, Sri Krishnadevaraya University, Anantapur, who has given me an opportunity to do research and extended full cooperation and guidance in my work.

I would like to express my indebtedness to Prof. S. Brahmagi Rao, M.Sc., Ph.D.(Hamburg), Chairman, Board of Studies in Chemistry, SK University, whose invaluable suggestions and critical comments to refine the early drafts of the thesis in an unobtrusive style, broadened and deepened my understanding of the subject.

I am fortunate enough to come under the influence of Dr. S. Hari Babu, M.Sc., Ph.D., Research Associate, Department of Chemistry, Oklahoma State University, USA, whose inspiration of the idea of research nourished in my mind and shaped with his invaluable comments and suggestions which I valued most. His constant encouragement has come to success in the form of this thesis.

I express my sincere gratitude to Dr. M. Chandrataiah Chowdary, M.Sc., Ph.D., Head of the Department of Chemistry, SK University for giving right advices in right time and helping me in several ways to put my scholarship in the network of research whenever I approached him.
I wish to register my profound grateful thanks to Sri V.V. Muralidhara Rao, Senior Assistant Director; Dr. (Miss) S.C. Sumathi, M.Sc., Ph.D., M.R.S.C., Assistant Director and Dr. B.S.R. Reddy, M.Sc., Ph.D., M.R.S.C., Scientist of Central Leather Research Institute, Madras, India, for their generous help, facilities provided and encouragement.

I am also deeply indebted to Prof. T. Balakrishnan, M.Sc., Ph.D., Head of the Department of Physical Chemistry, University of Madras, Madras and to Prof. P. Ramakrishna Rao, Department of Biochemistry, SK University who were kind enough to provide the laboratory facilities to carry out a part of this research work.

In this juncture, I would like to express my indebtedness to my parents and sisters whose constant encouragement in the pursuit of knowledge had made me what I am today, and also to my uncle, Sri K.G. Sarma, B.Sc., B.E., M.D.B.M., Senior Engineer, TELCO, Pune, who have been a great source of perception to me made me to owe a debt of love.

I extend sincere thanks to the authorities of Sri Krishnadevaraya University, Anantapur for providing necessary facilities to carry out the research work.

Finally, I wish to thank Mr. V. Sahadevan, for executing the typing of the thesis.

G.V. RAMANA MURTHY.
