ACKNOWLEDGEMENT

It gives me an immense pleasure to express my profound sense of sincere gratitude to my beloved research supervisor Dr. K. Radhakrishnaiah, Professor, Department of Zoology, Sri Krishnadevaraya University, Anantapur, for suggesting the problem and for his inspiring guidance, valuable suggestions, consistent help and incessant supervision at each and every step of my research work.

I am also grateful to the Head, Department of Zoology, Sri Krishnadevaraya University, Anantapur, for valuable help and providing necessary facilities to carryout my research work.

I am highly thankful to the Secretary and Correspondent and the Principal, Dr. Gopal Krishna Murthy, of V.R. College, Nellore, for permitting me to carryout this research work

I am highly indebted to Ravi Ramakrishna, Asst. Research Officer, Fisheries Research Station, Kovvali, West Godavari and Dr. M. Babu Rao, Principal, Fisheries College, Muttukuru, Nellore District, for giving permission to me to carry out part of this research work in their institutions.

My sincere thanks to Dr. J. Jayantha Rao, Professor, Zoology Department, S.V. University, Tirupati, for his constant encouragement and support.

My deep sense of appreciation goes to my husband Mr. K. Nagaraja Reddy for unblinching moral support, and also to my parents, and kids Chi. Sindu and Chi. Prudvi.

I acknowledge the University Grants Commission, New Delhi, for granting me F.I.P; to carryout this research work.

My sincere thanks to research scholars and my college colleagues, and to all others helped me either directly or indirectly for bring the thesis to final shape.

Finally my thanks to M/s. Surya Computers, Anantapur, for keenly typing.

U. Hymavath
