trade promotion organisation - Trade Fair Authority of India - Trade Development Authority - Export Promotion Activity of TDA - Buyer Seller Meets - Trade Fairs and Exhibitions - Integrated Marketing Programme (IMP) - Product Development Programme - Other activities - Samples Buying delegations - Membership - Business generated - Research and analysis activities - Short-term forecast of India's exports - Supply studies/In country studies - Action plan for promotion of Exports from states - Action plan for Punjab - Action Plan for Andhra Pradesh Seminars/ Training Programmes - Economic Data kits - Trade information and statistical activities Information Resource build-up - Foreign Product catalogues - Periodicals - Dissemination of Trade Information - Trade Intelligence Bulletin (TIB) - Hand Books, Market Intelligence Reports - Importers Directory - Display of Foreign Product Catalogues - Programmes on "How to Start on Export Business - Status Reports - Indian Institute of Foreign Trade Programme during April-December, 1994 - Foreign Trade Library - Publication - Directorate General of Foreign Trade - Export Promotion Measures - Fiscal and Financial Measures - Infrastructure support - Institutional Measures - Export processing zones, 100 per cent Export oriented units, Export Houses and Trading Houses - Kandla Free Trade zone - Santacruz Electronics Export Processing Zone - Noida Export Processing Zone - Falta Export Processing Zone Cochin Export Processing Zone - Scheme of 100 per cent Export Oriented Units - Export performance - The Recent changes/Modification Made in the .EPZ/ 100 per cent EOU Scheme - Export Houses - Industrial Policy, 1991 - Export Oriented Units (EOUs) and Units in Export Processing Zone (EPZP) - Export - Import Policy 1992-97 - Import Measures taken during the year - Policy development since 30 March 1994 - International Economic Environment -Uruguay Round Issues - Agreements in Textiles - Other Developments - Conclusion.
III  AIM AND METHODOLOGY

The present study - Objectives - Methodology
Significance and implication of the Study -
Review of Literature - India's Economy
and Foreign Trade.

IV  GEMS AND JEWELLERY EXPORTS

Introduction - Glorious past - Sources of
Indian Diamonds - Major production centres
of Gems and Jewellery in India product
and statewise - Trends in Gems and
Jewellery Export - Net Foreign Exchange
Earnings - Composition of Gem and
Jewellery Exports - Government Policy
Measures for Export Promotion - Net Export
scheme for Gold Jewellery - Further
Measures during Eighties - More Jewellery
items under OGC - Some important organisa-
tion 100 per cent jewellery export
complexes - Diamond Trading Company
- Exim Policy 1992-97 - Suggestions for
Amendment to Exim policy 1992-97 -
Exhibitions and Trade Fairs - Exports
of Gems and Jewellery: Problem,
Prospects and Suggestions - Lack of
Compatibility in Marketing practices -
Strengthening of marketing and other infra-
structure - Need for Gold Imports - Improve-
ing value Addition Improvement of
Technology - The Industry suffers from
Infrastructural Inadequacies - Strategies
for Augmenting Exports - Destinationwise
Drawing lessons from Hong Kong - Competi-
tiveness - Technology Mix - Freedom to
Import - Strategies for Japan - Changing
Trends - Thai Exports - Strategy Lacking-
The price factor - Quality control - Sales
promotion - other suggestions - Conclusion.

V  TEXTILE EXPORTS FROM INDIA

Introduction - Government Policies - Promot-
tional Measures - Textile Exports
percentage of total exports - Composition
of Textile exports - structure of Industry -
Supply base - Woollen knitwear Exports

VI ENGINEERING INDUSTRY IN INDIA

Kenya - Tanzania Egypt - Nigeria - Zambia
Japan - South Korea - Prospects of Engineering Exports - African countries
USA - Making use of Korean know-how - More prospects for watches products - Efforts of Central Government and institutional role - Conclusion.

VII FINDINGS, SUGGESTIONS AND CONCLUSIONS

Introduction - Foreign Trade of India - Strategies in the New Trading Environment - Better co-ordination among the infrastructural agencies is needed - Quality and confidence - Consortium approach for small manufactures and the exporters - Government policies needs stability - Foreign exchange - Need of the Hour - Rising Deficits in India's foreign trade - Growth in India's global trade visible - Coverage of Imports by Exports - India's share in world exports - Net satisfactory - Role of Government Institutions and other organisations in the promotion of foreign trade - Promotional role by trading organisations - Trade fairs and exhibition played significant role - Novel and liberalised export measures - New Industrial Policy - Its renewed thrust on exports - Gems and Jewellery exports - Gems and Jewellery - A major growth sector - India The largest exporter of diamonds - Diamond Exports : A phenomenal growth - Import Oriented nature of gems and jewellery exports - Cut and polished diamonds contributed major share - USA - An important destination - Number of registered exporters increased - changes in EXIM policy - Liberalisation of import of machinery and equipment boosted exports Special Export processing Zones - Organisation Role - Diamond Exploration - Gate opened for foreign participation - Marketing practices new gearing-up - Need for effective marketing infrastructure - More concentration is required on Japan market - Gold Imports are essential More R & D Efforts Required - Infrastructural inadequacies - Appropriate changes in
marketing techniques - Greater co-operation from industry sought - Measures needed to boost diamond exports - Textile exports from India - Textiles Industry: A thrust sector for exports - Large scale employment in Textile Industry - Textile export sector - Highest net foreign exchange earner - Tremendous strides in recent times - Composition of textile exports - Prominence of woollen knitwear exports - Readymade Garments Exports - Readymade Garments: Remarkable progress - Major Markets for readymade garments - Composition of readymade garments exports - Global imports of clothing growing - Government Policy initiatives - AEPC role laudable - Taking cognizance of global development is important - Garment sector achieved but only limited growth - Competition from other countries is a challenge - Strategies for export promotion - Product diversification - Market diversification - Removal of marketing constraints - Insufficient number of flights and accumulation of export cargo - Textile Industry - Besieged with sickness - Engineering exports of India - Engineering Industry: A fact developing sector - Thrust basis for augmenting engineering exports - Engineering industry helped satisfy indigenous needs - Engineering goods - An important segment in India's exports - Ups and downs for engineering exports during 80's - Engineering exports: A break through achieved - Consistent increase in the GNP - Important items of Engineering exports - Engineering sector: Largest contributor to India's non-traditional exports - India's share in world engineering exports is meagre - Engineering imports on the rise - Growing engineering exports as percentage of engineering imports - Diminishing share of engineering imports in the total imports - Diversified Directional pattern - The USSR: Once largest buyers - Mending exporting practices and marketing approacher - Prospects for engineering exports - Institutional Role laudable - Simplification of export documentation - Measures to promote export projects - Other suggestions relating
to engineering exports - Entry support for engineering export - Suggestions relating to project exports - Conclusion.
