ACKNOWLEDGMENTS

I express my sincere thanks and deep sense of gratitude to my teacher and research supervisor, Prof. Amarnath R. Das, for giving me an opportunity to work under his guidance, for his support, and encouragement throughout my study and he has also guided my personal development and maturation as an independent, confident, and strong researcher, something I never could have learned from a book. He molded my thinking and sharpened my research insight. But for his constant support and guidance this work would not have come to fruition. To him remain ever grateful.

My sincere thanks are due to Prof. Ch. Umamohan, Prof. B.S. Chand Basha, Prof. R. Vijayakrishna Naidu, Prof. G.V. Ramana, Head of the Department and Dr. Ramireddy, the faculty at the Department of Sociology and all the non-teaching staff members of our department, S.K. University for their kind support, valuable suggestions and co-operation throughout my research work.

I wish to record my deep and heartfelt gratitude to Prof. M.C.S. Subha, & Prof. K. Chowdooji Rao Department of Chemistry and Head of Department of Polymer Science & Technology, S.K. University Anantapur, who were my mentors and I owe them a grateful thanks from my bottom of my heart. They were extending me constant support and valuable counsel during the course of my research work.

I express my profound sense of gratitude to Smt. Adeline Selva Sathiya Kala Madam, for her advice, encouragement and kind words at various stages of the work.

My thanks are due to Prof. Shankar Principal of Govt. JNTU Engineering College Anantapur, and Dr. Prabhakar Rao Principal of Medical College Anantapur for providing me with the necessary data. I am grateful to Prof. K.L.A.P Sharma, and Prof. P. Md. Akhtar, Department of Statistics, S.K. University. For his timely help through the statistical package.

My special thanks to my fellow scholars, Dr. A. Seenuvasulu, Dr. Joseph Rao, B. Ismail Zabivulah, M. Raganna, G. Radha, R. Vijaya Sekhar Raju and Dr. G. Sivaiah of the
Dept of Economics, Dr. B. Yerriswamy of Chemistry Dept, Dr. Venkataprasad of Polymer Science Dept, K. Netti Kallappa of History Dept, and my lovable friends Mr. P. Narayana Murthy and Mr. D. Adinarayana for their words of encouragement and acts of kindness.

I should mention the love, care and support extended to me by my sisters, K.V. Maheswari Bai, K.V. Vijayalakshmi Bai, K.V. Sunitha Bai, A. Amy Karen Vania and my Uncles K Babu Rao, A. Suresh Rao and J. Jaloji Rao and my brothers K.V. Maheswar Rao, K.V. Sainath, K.V. Sekharnath, A.I.R. Ashish who stood by me throughout. I can’t forget my sisters-in-law K.V. Saraswathi Bai, K.V. Kaviitha Bai and all other family members young and old, who showered their affection and kindness which enabled me to carry this work forward.

My sincere thanks are due to all my respondents who patiently extended their cooperation in furnishing the needed information. A big 'Thank You' for all those who had directly and indirectly extended their kind cooperation, words of concern and acts of kindness for successful completion of the research work.

I have highest reverence for the champion of the backward Classes, Pioneering Social reformer Mahatma Jyothi Rao Phule for his vision and reformist zeal and was a source inspiration in my life. I have no words to express my gratitude to the love and affection showered on me by my beloved mother Smt. K.V. Teeka Bai, who nurtured me and my Father Late. Sri. K. V. Mohan Rao, who has given me life. In all humility, and reverence, I am dedicating this thesis to Mahatma Jyothi Rao Phule and my beloved parents - Sri. K. V. Mohan Rao and Smt. K.V. Teeka Bai, who have given a meaning to my life.

K.V. AMARNATH
