ACKNOWLEDGEMENTS

I record my deep sense of gratitude to my Research Supervisor Dr. K. Venkata Reddy, Professor of Rural Development and presently the Vice-Chancellor of Sri Krishnadevaraya University, Anantapur, for his kind help and able guidance during the course of this study. Prof. Reddy's varied and rich experience in the field of Rural Development has enabled me to complete this study. He has been a great source of inspiration and encouragement to me throughout the course of this research work.

I am thankful to Prof. V. T. Naidu, Dean of Arts and Chairman, Board of Studies, Department of Rural Development for his help and encouragement. It is with immense pleasure that I express my deep sense of appreciation and heartfelt thanks to Dr. N. V. Narayana, Professor and Head of the Department of Rural Development for going through the draft and for his helpful comments and encouragement throughout the course of this study. I am also thankful to all my colleagues in the Department of Rural Development and in the Department of Sociology for their valuable suggestions.

I also acknowledge, with grateful thanks, the help received from Dr. V. Hyder Khan, Reader in Physics in developing suitable computer programmes for analysing the data. I am thankful to Dr. D. Vasudeva Rao, Senior Research Fellow, Council for Social Development, Hyderabad for his help and suggestions in the statistical treatment of the data. Further, I am grateful to Dr. M. Kumaraswamy Raju, Reader in English for his help.

My thanks are also due to Mr. Anders Sorensen (Team Leader, FAO Regional Dairy Development and Training Team for Asia and the Pacific), Dr. V. Kurien (Chairman, National Bank for Agriculture and Rural Development), and Dr. G. N. Rao,
Dr.K.N.Nair and Mr.D.Rajasekhar (Centre for Development Studies, Trivendrum) for their help in making available some relevant literature for this study.

I am thankful to the Librarians of Sri Krishnapadevaraya University, Anantapur, Osmania University, Hyderabad, National Dairy Development Board, Anand, Institute of Rural Management, Anand, State Bank of India Staff Training College, Hyderabad, National Institute of Rural Development, Hyderabad, and the Bureau of Economics and Statistics, Government of Andhra Pradesh, Hyderabad, for their help. I am also grateful to the Institute of Social Studies, the Hague, and the Indian Dairy Association, New Delhi for making available some useful material for this work.

I am very much indebted to the University Grants Commission, New Delhi, for providing the necessary financial assistance without which it would have been difficult to complete this study.

Further, I would like to express my sincere thanks to Dr.T.Krishna Murthy, Dr.V.Ch.Subba Rao and other officials of Sangam Dairy, and the leaders and officials of the sample dairy cooperatives as also my respondents in sample villages for their help and cooperation.

I will be failing in my duty if I do not express my gratitude to my mother and my wife for their constant encouragement and help. I am also grateful to Mr.N.Narasimha Rao and Mr.K.Sudhakar for their help in the conduct of this study. Further, I am thankful to Mr.G.Venkatapathi for neatly typing this thesis.

Last but not the least, I am indebted to all my friends and well wishers for their help and encouragement.
