ACKNOWLEDGEMENT

I acknowledge my deep sense of gratitude to my research supervisor Dr. B. Ramachandra Reddy, Professor and Dean, Faculty of Management Sri Krishnadevaraya University, Anantapur for his able, enlightened guidance and encouragement in completing this study. My study would not have seen the light of the day but for his patient and continuous guidance.

I am profoundly grateful to Dr. L. Venugopal Reddy, Professor of Management Sri Krishnadevaraya University, Anantapur for his inspiration and unstinted support in my research study.

I express my gratitude to Dr. K. Asaithambi, Principal, Institute of Cooperative Management, Madras for the conceptual clarity he so kindly provided. My study has become meaningful and purposeful due to his helpful criticism and constructive comments.

I am grateful to Thiru. K. Srinivasa Rao, Manager Finance and Thiru. S. Rajagopalan Deputy Manager, Planning of National Bank for providing me with necessary information for the study.

I am indebted to Thiru. B. Kanagasabai, Deputy General Manager Banking and Thiru K. Purusotham, Deputy
General Manager Agricultural credit of Tamilnadu State Apex Cooperative Bank for helping me to analyse and verify the data provided in this thesis with readiness and promptness.

I am grateful to Thiru O.K. Nachimuthu, Manager, Finance of Salem Central Cooperative Bank, officers of other CCBs and officers of RCS Madras for their unstinted cooperation in furnishing me required data and responding frankly and objectively to my Questionnaire on the subject.

My special word of thanks to my teacher Thiru A.K. Kandasamy Sah. Retd. Professor of Pachaiyappas College, for his patience in completely going through this material at the final stages of its preparation.

I am much thankful to my Colleagues Thiru G. Suresh for his help in preparing the graphs and to Thiru T.R. Govindaraman for typing work in the initial stage. I am much grateful to Thiru R. Pandian and Thiru Y. Guruparan for their untiring efforts in Computerising the Thesis and giving it this final shape.

I thank all my other Colleagues, well wishers, and friends for their willing and unsolicited help in
completing this study. In short it is a classic instance of cooperation.

I am sincerely indebted to my better half, daughter and son for their sustained understanding, care, patience, prayers and active support all through the course of this research work.

Above all, I ever remain a profound and thankful devotee of the Almighty BHAGHAVAN SHRIDI SREE SATHYA SAIBABA for HIS unbounded blessings and SWAMY SIVANANDA for his divine guidance and benediction which provided me the inspiration to carry out this research work with unflagging enthusiasm.
