ACKNOWLEDGEMENTS

I am deeply indebted to express my sincere gratitude and grateful thanks to my Research Guide, Dr. B. Rama Murthy, Associate Professor, Department of Instrumentation for his enthusiastic guidance, constant encouragement and untiring efforts throughout the course of these investigations. He was a constant source of inspiration with his professional approach throughout the course of this work. I am much beholden to him for teaching me certain aspects of life, which I find very useful in the process of building up my career.

I also deemed it grateful to express my sincere thanks and gratitude to Prof. S. Raja Ratnam, Former Professor of this Department. I am also equally grateful to Prof. K. Malakondaiah, Chairman BOS of Instrumentation for his keen interest and all kind of cooperation and encouragement during the course of this work.

I am grateful to Dr. K. Nagabhushan Raju, Head, Department of Instrumentation & USIC for his cooperation during the research work.

My special thanks to Dr. S. Allahbaksh and Dr. C. Naga Raja, Associate professor and Dr K.K. Azam Khan former staff member of dept and presently working as lecturer in Dept of Bio-Medical Instrumentation, Temasek Polytechnique & Engineering College, Singapore for his help and cooperation in procuring the required components and accessories for my research work.

I am also expressing my special thanks to Prof. V. Rajendra Prasad, Head, Dept of English, S. K. University, who helped me in editing in bringing the thesis into final form.

I convey my thanks to Prof. R. Jeevan Kumar, Prof K. Ragavendra Rao, Head, Department of Physics, and Prof. M. C. S. Subha, Prof J. Sree Ramulu, Prof. K. Sudhakar Babu, Prof. L.K. Ravindranath, Department of Chemistry to completing my work.
I convey my thanks to **Prof. C. Sudhakar** Dept of Rural Development, **Prof. K. Chowdoji Rao**, Dept of Polymer Science, Dean of UGC for their suggestions for completing this research work.

I wish to record my special thanks to **Mr. R. Ranjit**, MD, Kyros Softtech Ltd, Hyderabad for his suggestions and cooperation for the development of software program for the present research work.

Also it is my duty to express my sincere thanks and gratitude to **Mr. V.V. Chakravarthy**, project manager, Giesecke & Devrient, Pune for his cooperation in completing this work.

I wish to record my thanks to **Mr. G. Narender**, Spectrochem Instruments Pvt Ltd, Hyderabad and **Mr. Y. Tirumala Babu** for his cooperation for the PCB Design of the work.

I convey my thanks to **Dr. U. Eranna**, Head of the Department, ECE, Bellary Engineering College, Bellary, **Dr. K. Bhanu Prasad**, Principal, Nalgonda Engineering College, Nalgonda, and **Dr. P. Subbaiah**, Vice Principal, Narayana Engineering College, Nellore for their help and cooperation he received their Ph.D from this Department.

I deem it a great pleasure to express my sincere thanks to my research group **Mr. M. Ashok Kumar**, **Mr. K. Anand**, **Smt B. Bhargavi**, **Dr. CH.V.V.Ramana**, **Mr. T. Bheemalingaiah**, **Mr. M.L.Prasad**, **Mr. M. Raja Rao**, **Smt. A. Sridevi**, **Smt. U. Sunitha**, **Mr. M. Mani Kumar** **Mr. Tanveer**.

I convey my special thanks to my dept technical assistants Sri **G. Dhanunjaya**, Sri **G. Chnadra Sekhara Rao** and Sri **P. Sudarsanam**, Sri. **K.A.Madhusudhana Goud**, University Science Instrumentation Center, Sri Krishnadevaraya University, Anantapur for their technical help and cooperation to bring this work in to instrumentation form.
Also I extend my thanks to the staff of the workshop Sri S. Balaramaiah, Sri K. Venkateswara Rao, Sri M. Ganesh and to office staff of Jr. Assistants Jaya Chandra Reddy, Ramanjayaneityulu and Prabhakar, Anjaneyulu for their help and cooperation.

It gives me immense of pleasure to thank Mrs. B. Rama Murthy for her sisterly affection and moral support rendered to me throughout this course.

With fond of memories, I recollect my parents Sri N. Hanumanna, Smt. M. Parvathamma, and my father-in-law Sri D. Thimmaiah, mother-in-law Smt D. Masthanamma, my Husband Mr. D. Venu Gopal and my brother Mr. N.A.V. Prasad, my sister-in-law Smt. K. Pushpa Latha and their children and my sister Smt. N. Shoba, my brother-in-law Mr. B. Pakkerappa and his family, and my brother-in-law Mr. D. Gopi Krishna and all other family members who patiently bare the inconveniences caused by my frequent absence at home during the course of this work.

Finally, the author is thankful to the authorities of Sri Krishnadevaraya University, Anantapur for providing me the necessary facilities.

N. Anju Latha......
