LIST OF TABLES

CHAPTER IV

Table 1 The number of the meetings of the C.D.E.D.B. and the intervals between the Meetings.
Table 2 The appointments of Chairmen of the C.D.E.D.B.
Table 3 Major Heads, and Schemes proposed under each Head.
Table 4 Amounts proposed under each major Head.
Table 5 The recommendations of the RDB and the Government action thereon.
Table 6 Rayalaseema share of the expenditure of the annual plans.
Table 7 Statement of special assistance to Rayalaseema according to population.
Table 8 District-wise breakup of special assistance under Six Point Formula.

CHAPTER V

Table 1 Table showing the dates of the meetings of the EC and the GB and the interval between the meetings.
Table 2 Table showing the number of meetings held by the GB and the EC of the RPDB.
Table 3 Table showing the number and nature of proposals made in the GB Meetings of the RPDB.
Table 4 Table showing the number and nature of proposals made in the EC meetings of the RPDB.
Table 5  Table showing the variation of proposals from meeting to meeting.

Table 6  Table showing the range of proposals between sectors.

Table 7  Table showing the important sectors in which proposals were made.

Table 8  Table showing the interest shown by the members of the GB meeting-wise in which the subjects on which the number of proposals exceeded 50 per cent.

Table 9  Table showing the interest shown by the members of the EC meeting-wise in which the subjects on which the No. of proposals exceeded 50 per cent.

Table 10  Table showing the subject-wise importance in the meetings of the GB and the EC.

Table 11  Table showing the contents of proposals relating to the administration, organisation and functioning of the Board.

Table 12  Table showing the contents of proposals relating to agriculture and allied subjects.

Table 13  Table showing the content of proposals relating to communications.

Table 14  Table showing the content of proposals relating to drought relief schemes.

Table 15  Table showing the content of proposals relating to finance and allocations.

Table 16  Table showing the contents of the proposals relating to industries and mining.
Table 17  Table showing the contents of proposals relating to major irrigation.
Table 18  Table showing the contents of proposals relating to minor irrigation.
Table 19  Table showing the contents of proposals relating to power.
Table 20  Table showing the contents of proposals relating to rural water supply.
Table 21  Table showing the action taken on the proposals made by the GB.
Table 22  Table showing the action taken on the proposals made by the EC.
Table 23  Table showing the time involved in taking action on the proposals relating to the GB.
Table 24  Table showing the time involved in taking action on the proposals relating to the EC.
Table 25  Constitution of the Committees and attendance of the members at the meetings of the Sub-Committees.
Table 26  Proposals made by the Sub-Committee on Irrigation for inclusion in the Annual Plan 1969-70.
Table 27  Proposals made by the Sub-Committee on Agriculture for inclusion in the Annual Plan 1969-70.
Table 28  Proposals made by the sub-committee for Rural water Supply etc. for inclusion in the Annual Plan 1969-70.
Table 29  Proposals of the Sub-Committee on Industries and
Table 30 Proposals of the Sub-Committee on Power for inclusion in the Annual Plan 1969-70.

Table 31 Proposals of the Sub-Committee on Irrigation for inclusion in the IV Plan.

Table 32 Proposals of the Sub-Committee on Agriculture for inclusion in the IV Plan.

Table 33 Proposals of the Sub-Committee on Drinking water etc. for inclusion in the IV Plan.

Table 34 Proposals of the Sub-Committee on Industries and Mines for inclusion in the IV Plan.

Table 35 Proposals of the Sub-Committee on Power for inclusion in the IV Plan.

Table 36 Sector-wise allocations for the Special Development Funds for the years 1970-71 to 1973-74.

Table 37 The distribution of Special Development Funds between different sectors - Percentage-wise.

CHAPTER VI:

Table 1 The number of meetings, dates and the interval between the meetings of the RPDC.

Table 2 No. of meetings held in each year and the No. of days met in each meeting.

Table 3 Table showing the interval between the Meetings.

Table 4 Sectorwise proposals made in each meeting of the RPDC.

Table 5 Range of proposals made in the meetings of the RPDC.
Table 6: Range of proposals between sectors.
Table 7: Important sectors in which proposals were made.
Table 8: Interest shown by the members - Meetingwise, in which the proposals made are 50 per cent and above.
Table 9: Sectorwise importance in the meetings of the RPDC on the basis of average of proposals made in each sector.
Table 10: Ranking of the proposals made in the meetings of the RPDC.
Table 11: Contents of proposals relating to the functioning of the RPDC.
Table 12: Contents of proposals under agriculture and allied subjects.
Table 13: Contents of proposals under communications.
Table 14: Contents of proposals on drought schemes.
Table 15: Contents of proposals on education and employment.
Table 16: Contents of proposals on finance and planning.
Table 17: Contents of proposals on industries and mining.
Table 18: Proposals under major irrigation.
Table 19: Proposals under minor irrigation.
Table 20: Proposals under power.
Table 21: Proposals under Rural Water Supply.
Table 22: Nature of action taken by the Government on the proposals of the RPDC.
Table 23: Proposals seeking informations on which particulars were provided.
Table 24 Time involved in taking action on the proposals of the RPDC.
Table 25 District-wise and year-wise allocations.
Table 26 Sector-wise allocations for the period 1974-79.
Table 27 Allocations to sectors, 25 per cent and more.
Table 28 District-wise allocations under regional schemes.
Table 29 Percentage of attendance of the members of the RPDC.
Table 30 District-wise membership and their attendance for the meetings of the RPDC.

NOTE: The sources for the tables have been given just under the respective tables. However, in chapters IV, V and VI, the sources have not been specifically mentioned below some tables. They are personally constructed from the data obtained from the unpublished proceedings of the meetings of the RPDB and RPDC and the Agenda Notes supplied to the members of the RPDB and RPDC.
