APPENDIX

Research publications under communication:

1. Extraction and simultaneous spectrophotometric determination of Fe(III) and Mn(II) in plant samples.
   (Communicated to Talanta)

2. Extraction and simultaneous spectrophotometric determination of Fe(III) and Cu(II) in leaf sample of grape.
   (Communicated to Analyst)

3. Extraction and simultaneous spectrophotometric determination of Cu(II) and Ni(II) in alloys.
   (Communicated to Anal Chim Acta)

4. Extraction and simultaneous spectrophotometric determination of Fe(III) and Cr(III) in water samples.
   (Communicated to Ind. J. Chem)

5. Extraction and simultaneous spectrophotometric determination of Cr(III) and Ni(II) in alloy steel samples.
   (Communicated to Curr. Sci.)
