I have boundless pleasure to express my deep sense of gratitude and indebtedness to Dr. K.J Joseph, Professor (Rtd), Department of Marine Biology, Microbiology and Biochemistry, Cochin University of Science and Technology, for suggesting me this research topic and also for his valuable guidance and inspiration throughout the period of this study.

I am thankful to Prof. (Dr) H.S Ram Mohan Dean, Faculty of Marine Sciences, and to Prof. (Dr) P Seralathan, Director, School of Marine Sciences for providing necessary facilities to carry out my research.

I wish to express my deep sense of gratitude to Prof. (Dr) Babu Philip, Prof. (Dr) Anneykutty Joseph, Prof. (Dr) A.V Saramma, Dr. Rosamma Philip, Dr. S. Bijoy Nandan and Dr. A.A. Mohamed Hatha, Faculty members of the department for their support and encouragement.

I record my respectful thanks to Prof. (Dr) N. Chandramohanakumar, former Registrar, CUSAT, Prof. (Dr) Jacob Chacko, former Director, IRAA, Prof. (Dr) A Mohandas, former Dean, Faculty of Environmental Sciences, CUSAT and Prof (Dr.) I.S Bright Singh, Director, NCAAH for their valuable advice and inspiration during the course of this study.

I am thankful to Dr. R Damodaran and Dr. N.R Menon, former Deans, Faculty of Marine Sciences and Dr. C.K Radhakrishnan, Emeritus Professor, Department of Marine Biology, Microbiology and Biochemistry for their valuable advice and suggestions during this study.

Words are insufficient to express my gratitude to Dr. M.G. Sanilkumar, SRF, MoES Project on Harmful Algal Blooms, Dept. of Marine Biology, Microbiology and Biochemistry, CUSAT and Mr. E Harikrishnan, my colleague. I thank them for their warm companionship and encouragement.
I express my whole hearted thanks to Dr. K.K Sivadasan, Associate Professor, Mahatma Gandhi College, Mahe, Mr. V.P Festus, Associate Professor (Rtd), St. Alberts college, Ernakulam, Mrs. Rajamma, Associate Professor (Rtd), Maharajas College, Ernakulam and Dr. A Sreekumar, former Deputy Director, Collegeate Education, Government of Kerala for their valuable suggestions during this study.

I am sincerely grateful to Mr. Bipinbal, Research Scholar, Department of Polymer Science and Rubber Technology, CUSAT, for his encouragement and timely help.

I express my whole hearted thanks to my former colleagues, Dr. Padmakumar, K.B, Dr. Sincy Joseph, Dr. Feeba Rani Johns and Dr. Anupama Nair, my former colleagues, for the valuable support rendered to me during this research work.

I thank Mr. Anit M. Thomas and Mrs. Cilla Abraham, Research scholars, Department of Marine Biology, Microbiology and Biochemistry for their timely help and encouragement.

I am thankful to my dear friends in the University Administration who supported and encouraged me for completing this research work.

I thank Mr. Stephen V.K and Mr. Suresh who were of immense help for me during the collection of samples.

I would also like to thank the administrative staff, Department of Marine Biology, Microbiology and Biochemistry and the staff members in the Central and Marine Science libraries of the University for their help and support.

I am greatly indebted to my parents, brothers and sisters for their in calculable support during the course of this study.

I thank the God Almighty for all the blessings showered upon me for the successful completion of this work.

Rejil.T
