ACKNOWLEDGEMENTS

I avail this opportunity to express my profound sense of gratitude to my beloved teacher and research guide Prof. T. Pullaiah, Professor, Department of Botany, who always was a tremendous source of inspiration and of valuable guidance and supervision in the successful completion of this doctoral thesis.

I am immensely grateful and sincerely thankful to Prof. C. Sudhakar, former Head of the Department of Botany and to Dr. S. Thimma Naik, present Head of the Department of Botany for providing facilities for my work from 2007-2010.

I would like to extend my sincere thanks to Prof. R. R. V. Raju, Dean of faculty of Life sciences, Prof. B. Ravi Prasad Rao and Dr. S. Sandhya Rani, Assistant Professor, Department of Botany for their help and kind cooperation during my work.

I humbly express my deep sense of gratitude to Dr. S. Karuppusamy, Assistant professor, Department of Botany, The Madura College, Madurai, for his help and guidance in collecting plant materials and valuable suggestions.

I place my respectful thanks to Prof. Rani Mangotra, Professor, Department of Botany, Jammu University, Prof. Umakanth, Retired Professor, Prof. Vidhya Patni, Professor, Department of Botany, Rajasthan University, Jaipur and Prof. Sekhawath, Professor, Department of Botany, Berhampur University, Orissa, for their valuable help in the collection of plant materials.

Words do not suffice to express my deep sense of feelings to my co-research scholars Mrs. Susheela, M. Sowgandhika, Mr. M. Naveen, Mr. P. V. Krishna reddy, Mr. Thirupathi Reddy, Mr. K. Rajasekhar, Mr. Raja Kullaiswamy, Ms. Geetha, Ms. P. Padma, Mr. Shiva Kumar, Mr. Venkatakrishnaiah, Mr. Eswar Narayana reddy, Dr. Sadasiviah, Dr. Khadar basha and Dr. Suresh babu, Department of Botany, Srikrishnadevaraya University, for their support and encouragement.

Memorable thanks are to Sunildat and his family members, Sunderbeni, Jammu & Kashmir, for their help in collection of plant material and their cooperation.
I express my sincere thanks to my primary school classmates B. Peddi Reddy, G. Prathap Naidu, M. Sanjive Raddy, N. Ramesh Naidu and M. Mustafa and my room mate Mr. M. Sreenivasulu for their help and encouragement.

My special thanks are to A. Srilakshmi and Chandra Sekhar Reddy, M.Sc. students, Department of Biotechnology, J.K.C. College, Guntur, for their encouragement.

I wish to thank office staff Mr. Kumar, Mr. A. Chandra Sekhar, Mr. Anjeneyulu, Mr. Madu, Kullayappa and Thirupal for their ungrudging help and cooperation in day-to-day work.

I sincerely acknowledge DST for providing me financial support in the form of Junior and Senior Research Fellowship.

I am deeply touched by sincere and wholehearted affection of my father A. Pullaiah and my mother A. Lakshmamma and my beloved elder brother A. Narayana Swamy, Lecturer in Sociology, Vidyodaya Law college, Tumkur, Karnataka, A. Ashok Kumar and A. Ramamurthy who were by my side always, patiently and constantly inspiring and encouraging me throughout my research tenure.

I express my gratefulness by dedicating this work as a mark of respect and esteem to my parents and brothers.

(AMILINENI UGRAJAH)
