AKNOWLEDGEMENTS

The author expresses his most sincere gratitude to Prof. P. Raveendra Reddy, M.Sc., M.Phil, Ph.D., Research guide for his constant and never-failing support, excellent guidance and inspiring attitude that made this thesis possible.

The author expresses great thanks to Prof. L.K. Ravindranath head of the department of chemistry at Sri Krishnadevaraya University for providing me the laboratory facilities and helping me in various ways during the course of my research work.

The author is thankful to Prof. L. Hussain Reddy Chairman board of studies department of chemistry, Sri Krishnadevaraya University for giving me guidelines and helping me a lot during the course.

The author is great thankful to my friend Mr. Santhi swaroop, my scholars Dr. Ramana Kumar, Head of the Chemistry Department Mallareddy Institute of Technology and Dr. Lalitha for guidance and inspiring attitude that made this thesis successful.

I would like to thank Brother-in-law Dr. Prasanna Anjaneyareddy and my sister-in-laws Charitha & Rekha for their support in various ways during the course.

I express my sincere gratitude to my friends Dr. M. Hussain Reddy, Dr. D.N. Reddy, Mr. Mahewara Reddy & Mr. Nalamallewara Reddy for their affectionate co-operation in writing this beautiful thesis.
The author expresses thanks to his friends and well wishers for the completion of this research program successfully.

I extend my sincere thanks to all other faculty members, research associates, research scholars and non-teaching staff in the Department of Chemistry, Sri Krishnadevaraya University for their co-operation and help rendered in various ways.

Words cannot truly express my deepest gratitude and appreciation to my graduation friends and who have been a strength, always help me to get through my difficulties and I thank them for all the emotional support, camaraderie, entertainment and for being solicitous.

And I thank everyone else, who kept asking me all these days “Haven’t you finished your thesis yet” silencing that question was a prime motivation when life’s other intellectual enticements kept singing to me.

The author expresses thanks to his friends and well wishers for the completion of this research program successfully.
