CONTENTS

List of:

Tables
Figures
Appendixes

1. Introduction

Context of the Problem for the Study
Significance of the Study
Statement of the Problem
Explanation of the Key Terms
Assumptions and Hypotheses
Objectives of the Study
Methodology in Brief
Scope and Limitations of the Study
Organisation of the Report
References

2. Theoretical Overview

Focus on the Contexts of Teaching
Conceptions of Teaching
Form and Structure of Teacher Competency
Theories of Teaching Competency
Comprehensive Paradigm of Teacher Competency
Threats to Teacher Competency
Redeeming Secondary Education for 21st Century
Kerala’s Specific Position in the Arena of Education.
References
3. Review of Related Literature and Studies

Studies on Personal Factors Leading to Nonutilisation of Teacher Competency
Studies on Institutional Factors Leading to Nonutilisation of Teacher Competency
Studies on Psychological Factors Leading to Nonutilisation of Teacher Competency
Studies on Sociological Factors Leading to Nonutilisation of Teacher Competency

References

4. Methodology

Method Selected for the Study
Sample Selected for the Study
Tools and Techniques used for Collecting Data
Procedure for the Collection of Data
Statistical Procedures Adopted for Analysis

References

5. Analysis of Data and Results

Location of Factors
Responses of Teachers
Stability of Statistical Constants
Identification of Factors
Relationship of Extraneous Variables and Factors Causing Nonutilisation of Teacher Competency
Factor Patterns of Various Dimensions
Tenability of Hypotheses
Discussion of Results
Prevention of the Causes of Nonutilisation of Teacher Competency

References

6. Conclusion

The Study in Retrospect
Significance of the Study
Summary of Procedure
Findings and Conclusions
Educational Implications
Suggestions for Further Research
