ACKNOWLEDGEMENT

“Praise be to ALLAH who teacheth by pen,
Teacheth man that which he knew not”

I thank Almighty without whose blessings this work would have remained an unaccomplished task.

I shall ever be indebted to my learned supervisor Prof. Shamim A. Ansari, for his able guidance, constant help and cooperation throughout the course of preparation of dissertation. His tireless efforts, scholarly advice and guidance have been the pillar of my strength which not only helped me to complete my task but excel in every academic pursuit.

I owe my sincere thanks to my chairperson Prof. Naima Khatoon Gulrez for her able guidance, constant help and cooperation throughout the course of preparation of my work.

I extend my deep gratitude to Afad shah, Ali Imam, Fatima Shahnawaz, Fatima Bi, Idress, Lateef, Jaseem bhai, Nadeem, Mubashir, Malik Yasir, Dr. Sajad, Sajad, Saika, Shabbir bhai, Shahnawaz, Tasdique, Yasir, Zulfiquar bhai and to all my friends for their support and encouragement during the entire work period. As a special gesture of appreciation I would like to thank my typist Mr. H.K. Sharma and his team members for their beautiful typing and other strenuous efforts in completing the typing within the short period of time. As a special gesture of thanks I would like to give to non teaching staff of our department.

I shall be failing in my duty if I do not express my deep gratitude to my parents whose unfailing support, affection, cooperation and encouragement have helped me in the completion of this research work. I have no words to express my feelings to my sister who has been always a source of inspiration for me.

I shall always be acknowledging my grandparents who always extended their moral support and well-wishes, and indeed, it was because of their unstinted support and encouragement that I could have been able to combat the hurdles of my life, especially, in completing the task leading to the award of Ph.D degree in Psychology.
